ACT OF UNION

BETWEEN THE

EASTERN AND WESTERN CHEROKEES.

WHEREAS, our fathers have existed as a separate and distinct Nation, in the possession and exercise of the essential and appropriate attributes of sovereignty, from a period extending into antiquity, beyond the records and memory of man; *and whereas*, these attributes, with the rights and franchises which they involve, remain still in full force and virtue; as do also the national and social relations of the Cherokee people to each other, and to the body politic, excepting in those particulars which have grown out of the provisions of the treaties of 1817 and 1819, between the United States and the Cherokee Nation, under which a portion of our people removed to this country, and became a separate community, (but the force of circumstances have recently compelled the body of the Eastern Cherokees to remove to this country, thus bringing together again the two branches of the ancient Cherokee family) it has become essential to the general welfare that a Union should be formed and a system of government matured, adapted to their present condition, and providing equally for the protection of each individual in the enjoyment of all his rights,

Therefore, we, the people composing the Eastern and

Western Cherokee Nation, in national convention assembled, by virtue of our original unalienable rights, do hereby solemnly and mutually agree to form ourselves into one body politic, under the style and title of the CHEROKEE NATION.

In view of the Union now formed, and for the purpose of making satisfactory adjustments of all unsettled business which may have arisen before the consummation of this Union, we agree that such business shall be settled according to the provisions of the respective laws under which it originated, and the courts of the Cherokee Nation shall be governed in their decisions accordingly. Also, that the delegation authorized by the Eastern Cherokees to make arrangements with Major General Scott, for their removal to this country, shall continue in charge of that business, with their present powers, until it shall be finally closed. And, also, that all rights and titles to public Cherokee lands on the east or west of the river Mississippi, with all other public interests which may have vested in either branch of the Cherokee family, whether inherited from our fathers or derived from any other source, shall henceforward vest entire and unimpaired in the Cherokee Nation, as constituted by this Union.

Given under our hands, at Illinois Camp-ground, this 12th day of July, 1838.

CONSTITUTION

The Eastern and Western Cherokees having again reunited, and become one body politic, under the style and title of the CHEROKEE NATION: Therefore,

We, the people of the Cherokee Nation, in National Convention assembled, in order to establish justice, insure tranquility, promote the common welfare, and to secure to ourselves and our posterity the blessings of freedom—acknowledging with humility and gratitude, the goodness of the Sovereign Ruler of the Universe, in permitting us so to do, and imploring His aid and guidance in its accomplishment—do ordain and establish this Constitution for the government of the Cherokee Nation.

ARTICLE I.

SEC. 1. The boundary of the Cherokee Nation shall be that described in the treaty of 1833, between the United States and Western Cherokees, subject to such extension as may be made in the adjustment of the unfinished business with the United States.

SEC. 2. The lands of the Cherokee Nation shall remain common property; but the improvements made thereon, and in the possession of the citizens of the Nation, are the exclusive and indefeasible property of the citizens respectively who made, or may rightfully

be, in possession of them: *Provided*, that the citizens of the Nation possessing exclusive and indefeasible right to their improvements, as expressed in this article, shall possess no right or power to dispose of their improvements, in any manner whatever, to the United States, individual states, or to individual citizens thereof; and that, whenever any citizen shall remove with his effects out of the limits of this Nation, and become a citizen of any other government, all his rights and privileges as a citizen of this Nation shall cease: *Provided, nevertheless*, that the National Council shall have power to re-admit, by law, to all the rights of citizenship, any such person or persons who may, at any time, desire to return to the Nation, on memorializing the National Council for such re-admission.

Moreover, the National Council shall have power to adopt such laws and regulations, as its wisdom may deem expedient and proper, to prevent citizens from monopolizing improvements, with the view of speculation.

ARTICLE II.

SEC. 1. The power of this government shall be divided into three distinct departments:—the Legislative, the Executive, and the Judicial.

SEC. 2. No person or persons belonging to one of these departments shall exercise any of the powers properly belonging to either of the others, except in the cases hereinafter expressly directed or permitted.

ARTICLE III.

SEC. 1. The legislative power shall be vested in two distinct branches:—a National Committee and Council, and the style of their acts shall be:—*Be it enacted by the National Council.*

SEC. 2. The National Council shall make provision, by law, for laying off the Cherokee Nation into eight districts; and, if subsequently it should be deemed expedient, one or two may be added thereto.

SEC. 3. The National Committee shall consist of two members from each district, and the Council shall consist of three members from each district, to be chosen by the qualified electors in their respective districts for two years; the elections to be held in the respective districts every two years, at such times and places as may be directed by law.

The National Council shall, after the present year, be held annually, to be convened on the first Monday in October, at such place as may be designated by the National Council, or, in case of emergency, by the Principal Chief.

SEC. 4. Before the districts shall be laid off, any election which may take place, shall be by general vote of the electors throughout the Nation for all officers to be elected.

The first election for all the officers of the government:—Chiefs, Executive Council, members of the National Council, Judges and Sheriffs,—shall be held at Tahlequah, before the rising of this convention; and the term of service of all officers elected previous to the

first Monday in October, 1839, shall be extended to embrace, in addition to the regular constitutional term, the time intervening from their election to the first Monday in October, 1839.

SEC. 5. No person shall be eligible to a seat in the National Council but a free Cherokee male citizen, who shall have attained to the age of twenty-five years.

The descendants of Cherokee men by all free women except the African race, whose parents may have been living together as man and wife, according to the customs and laws of this Nation, shall be entitled to all the rights and privileges of this Nation as well as the posterity of Cherokee women by all free men. No person who is of negro or mulatto parentage, either by the father's or mother's side, shall be eligible to hold any office of profit, honor or trust, under this government.

SEC. 6. The electors and members of the National Council shall in all cases, except those of treason, felony, or breach of the peace, be privileged from arrest during their attendance at elections, and at the National Council, in going to and returning.

SEC. 7. In all elections by the people, the electors shall vote *virâ voce*.

All free male citizens, who shall have attained to the age of eighteen years, shall be equally entitled to vote at all public elections.

SEC. 8. Each branch of the National Council shall judge of the qualifications and returns of its own members, and determine the rules of its proceedings,

punish a member for disorderly behavior, and, with the concurrence of two-thirds, expel a member; but not a second time for the same offense.

SEC. 9. Each branch of the National Council, when assembled, shall choose its own officers; a majority of each shall constitute a quorum to do business, but a smaller number may adjourn from day to day, and compel the attendance of absent members, in such manner and under such penalty as each branch may prescribe.

SEC. 10. The members of the National Committee shall each receive from the public treasury a compensation for their services, which shall be three dollars per day during their attendance at the National Council; and the members of the Council shall each receive three dollars per day for their services during their attendance at the National Council; *provided*, that the same may be increased or diminished by law; but no alteration shall take effect during the period of service of the members of the National Council by whom such alteration may have been made.

SEC. 11. The National Council shall regulate by law, by whom and in what manner, writs of elections shall be issued to fill the vacancies which may happen in either branch thereof.

SEC. 12. Each member of the National Council, before he takes his seat, shall take the following oath or affirmation:

I, A. B., do solemnly swear (or affirm, as the case may be,) that I have not obtained my election by

bribery, treats, or any undue and unlawful means, used by myself or others, by my desire or approbation for that purpose: that I consider myself constitutionally qualified as a member of ———, and that on all questions and measures which may come before me, I will so give my vote, and so conduct myself, as in my judgment shall appear most conducive to the interest and prosperity of this Nation, and that I will bear true faith and allegiance to the same, and to the utmost of my ability and power, observe, conform to, support and defend, the constitution thereof.

SEC. 13. No person who may be convicted of felony shall be eligible to any office or appointment of honor, profit, or trust, within this Nation.

SEC. 14. The National Council shall have power to make all laws and regulations which they shall deem necessary and proper for the good of the Nation, which shall not be contrary to this constitution.

SEC. 15. It shall be the duty of the National Council to pass such laws as may be necessary and proper to decide differences by arbitration, to be appointed by the parties who may choose that summary mode of adjustment.

SEC. 16. No power of suspending the laws of this Nation shall be exercised, unless by the National Council or its authority.

SEC. 17. No retrospective law, nor any law impairing the obligation of contracts, shall be passed.

SEC. 18. The National Council shall have power to make laws for laying and collecting taxes for the purpose of raising a revenue.

SEC. 19. All bills making appropriations shall originate in the National Committee, but the Council may propose amendments or reject the same. All other

bills may originate in either branch, subject to the concurrence or rejection of the other.

SEC. 20. All acknowledged treaties shall be the supreme law of the land, and the National Council shall have the sole power of deciding on the construction of all treaty stipulations.

SEC. 21. The Council shall have the sole power of impeaching. All impeachments shall be tried by the National Committee. When sitting for that purpose, the member shall be upon oath or affirmation, and no person shall be convicted without the concurrence of two-thirds of the members present.

SEC. 22. The Principal Chief, Assistant Principal Chief, and all civil officers, shall be liable to impeachment for misdemeanor in office, but judgment in such cases shall not extend further than removal from office, and disqualification to hold any office of honor, trust or profit, under the government of this Nation.

The party, whether convicted or acquitted, shall, nevertheless, be liable to indictment, trial, judgment, and punishment, according to law.

ARTICLE IV.

SEC. 1. The supreme executive power of this Nation shall be vested in a Principal Chief, who shall be styled "The Principal Chief of the Cherokee Nation."

The Principal Chief shall hold his office for the term of four years, and shall be elected by the qualified electors, on the same day, and at the places where they

shall respectively vote for members to the National Council.

The returns of the election for Principal Chief shall be sealed up and directed to the President of the National Committee, who shall open and publish them in the presence of the National Council assembled. The person having the highest number of votes shall be Principal Chief, but if two or more shall be equal and highest in votes, one of them shall be chosen by joint vote of both branches of the Council. The manner of determining contested elections shall be directed by law.

SEC. 2. No person, except a natural born citizen, shall be eligible to the office of Principal Chief; neither shall any person be eligible to that office who shall not have attained to the age of thirty-five years.

SEC. 3. There shall also be chosen at the same time by the qualified electors in the same manner for four years, an Assistant Principal Chief, who shall have attained to the age of thirty-five years.

SEC. 4. In case of the removal of the Principal Chief from office, or of his death or resignation, or inability to discharge the powers and duties of the said office, the same shall devolve on the Assistant Principal Chief, until the disability be removed, or the vacancy filled by the National Council.

SEC. 5. The National Council may, by law, provide for the case of removal, death, resignation, or disability of both the Principal and Assistant Principal Chiefs, declaring what officer shall then act as Principal Chief

until the disability be removed, or a Principal Chief shall be elected.

SEC. 6. The Principal and Assistant Principal Chief shall, at stated times, receive for their services a compensation which shall neither be increased or diminished during the period for which they shall have been elected; and they shall not receive, within that period, any other emolument from the Cherokee Nation or any other government.

SEC. 7. Before the Principal Chief enters on the execution of his office, he shall take the following oath or affirmation:

I do solemnly swear or affirm that I will faithfully execute the duties of Principal Chief of the Cherokee Nation, and will, to the best of my ability, preserve, protect, and defend the constitution of the Cherokee Nation.

SEC. 10. He shall take care that the laws be faithfully executed.

SEC. 11. It shall be his duty to visit the different districts at least once in two years, to inform himself of the general condition of the country.

SEC. 12. The Assistant Principal Chief shall, by virtue of his office, aid and advise the Principal Chief

in the administration of the government at all times during his continuance in office.

SEC. 13. Vacancies that may occur in offices, the appointment of which is vested in the National Council, shall be filled by the Principal Chief during the recess of the National Council by granting commissions which shall expire at the end of the next session thereof.

SEC. 14. Every bill which shall pass both branches of the National Council shall, before it becomes a law, be presented to the Principal Chief; if he approve, he shall sign it; but if not, he shall return it, with his objections, to that branch in which it may have originated, who shall enter the objections at large on their journals, and proceed to re-consider it; if, after such re-consideration, two-thirds of that branch shall agree to pass the bill, it shall be sent, together with the objections, to the other branch, by which it shall likewise be re-considered, and, if approved by two-thirds of that branch, it shall become a law. If any bill shall not be returned by the Principal Chief within five days, (Sundays excepted), after the same has been presented to him, it shall become a law in like manner as if he had signed it, unless the National Council, by their adjournment, prevent its return, in which case it shall be a law, unless sent back within three days after their next meeting.

SEC. 15. Members of the National Council, and all officers, executive and judicial, shall be bound by oath

to support the constitution of this Nation, and to perform the duties of their respective offices with fidelity.

SEC. 16. In case of disagreement between the two branches of the National Council with respect to the time of adjournment, the Principal Chief shall have power to adjourn the same to such a time as he may deem proper; *provided*, it be not a period beyond the next constitutional meeting thereof.

SEC. 17. The Principal Chief shall, during the session of the National Council, attend at the seat of government.

SEC. 18. There shall be a council composed of five persons, to be appointed by the National Council, whom the Principal Chief shall have full power at his discretion to assemble; he, together with the Assistant Principal Chief and the counselors, or a majority of them, may, from time to time, hold and keep a council for ordering and directing the affairs of the Nation according to law; *provided*, the National Council shall have power to reduce the number, if deemed expedient, after the first term of service, to a number not less than three.

SEC. 19. The members of the executive council shall be chosen for the term of two years.

SEC. 20. The resolutions and advice of the council shall be recorded in a register, and signed by the members agreeing thereto, which may be called for by either branch of the National Council; and any counselor may enter his dissent to the majority.

SEC. 21. The treasurer of the Cherokee Nation shall be chosen by a joint vote of both branches of the National Council, for the term of four years.

SEC. 22. The treasurer shall, before entering on the duties of his office, give bond to the Nation, with sureties to the satisfaction of the National Council, for the faithful discharge of his trust.

SEC. 23. No money shall be drawn from the treasury but by warrant from the Principal Chief, and in consequence of appropriations made by law.

SEC. 24. It shall be the duty of the treasurer to receive all public moneys, and to make a regular statement and account of the receipts and expenditures of all public moneys at the annual session of the National Council.

SEC. 2. The Judges of the Supreme and Circuit courts shall hold their commissions for the term of four years, but any of them may be removed from office on the address of two-thirds of each branch of the National Council to the Principal chief for that purpose.

SEC. 3. The Judges of the Supreme and Circuit Courts shall, at stated times, receive a compensation which shall not be diminished during their continuance

in office, but they shall receive no fees or perquisites of office, nor hold any other office of profit or trust under the government of this Nation, or any other power.

SEC. 4. No person shall be appointed a judge of any of the courts, until he shall have attained the age of thirty years.

SEC. 5. The Judges of the Supreme and Circuit Courts shall be elected by the National Council, and there shall be appointed in each district as many justices of the peace as it may be deemed expedient for the public good, whose powers, duties and duration in office, shall be clearly designated by law.

SEC. 6. The Judges of the Supreme Court and of the Circuit Courts, shall have complete criminal jurisdiction in such cases, and in such manner, as may be pointed out by law.

SEC. 7. No judge shall sit on trial of any cause when the parties are connected [with him] by affinity or consanguinity, except by consent of the parties. In case all the judges of the Supreme Court shall be interested in the issue of any cause, or related to all or either of the parties, the National Council may provide by law for the selection of a suitable number of persons of good character and knowledge, for the determination thereof, and who shall be specially commissioned for the adjudication of such case by the Principal Chief.

SEC. 8. All writs and other process shall run "in the name of the Cherokee Nation," and bear test and be signed by the respective clerks.

SEC. 12. The people shall be secure in their persons, houses, papers and possessions, from unreasonable seizures and searches, and no warrant to search any place, or to seize any person or things, shall issue, without describing them as nearly as may be, nor without good cause, supported by oath or affirmation.

SEC. 13. All persons shall be bailable by sufficient securities, unless for capital offenses, where the proof is evident or presumption great.

ARTICLE VI.

SEC. 1. No person who denies the being of a God, or future state of reward and punishment, shall hold any office in the civil department in this Nation.

SEC. 2. The free exercise of religious worship, and serving God without distinction, shall forever be

enjoyed within the limits of this Nation: *provided*, that this liberty of conscience shall not be so construed as to excuse acts of licentiousness, or justify practices inconsistent with the peace or safety of this nation. *

SEC. 3. When the National Council shall determine the expediency of appointing delegates, or other public agents, for the purpose of transacting business with the government of the United States, the Principal Chief shall recommend, and, by the advice and consent of the National Committee, appoint and commission such delegates or public agents accordingly. On all matters of interest, touching the rights of the citizens of this Nation, which may require the attention of the United States government, the Principal Chief shall keep up a friendly correspondence with that government through the medium of its proper officers.

SEC. 4. All commissions shall be "in the name and by the authority of the Cherokee Nation," and be sealed with the seal of the Nation, and signed by the Principal Chief. The Principal Chief shall make use of his private seal until a National seal shall be provided.

SEC. 6 No person shall, for the same offense, be

twice put in jeopardy of life or limb; nor shall the property of any person be taken and applied to public use without a just and fair compensation: *provided*, that nothing in this clause shall be so construed, as to impair the right and power of the National Council to lay and collect taxes.

SEC. 8. The appointment of all officers, not otherwise directed by this constitution, shall be vested in the National Council.

SEC. 2. The lands of the Cherokee Nation shall remain common property until the National Council shall request the survey and allotment of the same, in

SEC. 12. When any person has been joined to another in any civil case, either as plaintiff or defendant, who ought not to be so joined, or when any person has been omitted to be joined as plaintiff or defendant

in any suit, who ought to be joined, such non-joinder or misjoinder may, upon the showing good reasons therefor to the court by either party, and notice given to the opposite party, be amended by order of the court adding or striking out such person from the record of the case; *provided*, the consent of such person be first obtained, and such amendment shall be made without making any further delay in the proceedings than may be required to hear and determine such motion.

ARTICLE II.

SUPREME COURT.

SEC. 13. The supreme court shall consist of three judges, one of whom shall be elected by a joint vote of the National Council as Chief Justice. In the absence of the Chief Justice, the senior Associate Justice by commission, shall act as Chief Justice "*pro tempore*." Any two of the judges shall form a quorum to transact business and decide cases.

SEC. 14. Each Chief Justice shall appoint, to serve during his term of office, a clerk of the supreme court, who may be removed from office before the expiration of the term, for neglect, inability or misconduct, by the Chief Justice or by the other judges. The clerk of the supreme court shall take the oath prescribed by law to be taken by the district clerks, and it shall be his duty also, to enter on a docket, to be kept for that purpose, all causes brought into this court, and to record faithfully all proceedings and decisions in books,

and to preserve with care all papers and books appertaining to the business of the court.

SEC. 15. The court shall have exclusive jurisdiction of all cases instituted to contest an election held by the people, and brought before the court as provided by law. The court shall also have final jurisdiction of all cases and questions of law and evidence connected therewith, that shall be appealed from the circuit court according to law, and the court shall have the power to decide upon the constitutionality of any act of council involved or brought in question in any case so appealed.

SEC. 16. In case any of the judges of the supreme court are interested in any cause that may be pending before that tribunal for decision, or are related to any of the parties who may object to such judges presiding at the trial of a cause, and produce proof of such interest or relationship, in the manner directed by law, it shall be the duty of the Chief Justice, on receiving such notice, to lay the notice before the supreme court for its action at its first meeting, and direct the docketing of the case agreeable to the rule established by the court for the docketing of other cases, and the court proving the objections well founded, it shall then be the duty of the Chief Justice to notify, in writing, the Principal Chief of such objection, and that they are sustained by the supreme court, the case then to be called once, and passed over, the papers not to be opened by the court, but held for the special judges to be hereafter appointed, and to them transferred at the

close of the regular session of the court, or in the regular order of the calling the docket as the regular court may elect; on the receipt of such notice by the Principal Chief, it shall be his duty, by and with the consent of the senate, to select such a number of persons of good character and knowledge of the law as shall correspond with the number of judges so interested or related as shall have been objected to, and specially commission said persons for the trial of such cause.

SEC. 17. In case one of the justices of the supreme court shall be absent during a part of the regular session of the same, and the remaining two shall hear, and after consideration of any cause, be unable to agree upon a decision thereupon, the case shall be suspended until the whole bench are present, when the suspended case shall be considered and decided, after a rehearing from both parties.

SEC. 18. In the trial of contested elections, the court shall be confined to an examination of the returns of such election, and of the testimony relevant to the grounds set forth by the contestant in support thereof or opposition thereto, that shall be taken and forwarded to the supreme court within the time and in the manner provided by law.

SEC. 19. In the trial of all appealed cases, and of questions of law and evidence connected therewith, the court shall be confined to the papers and documents, constituting each case, that shall be transmitted by the

clerk of the circuit court in conformity to law. *provided* that either party shall have the right to except to the accuracy and completeness of any part of the transcript of the testimony, or other paper forwarded, upon motion to the court made previous to the argument of the case, and accompanied with particular specifications of a serious and material disagreement between the showing of the case, as transmitted, and as submitted to the lower court and filed in the clerk's office. If such motion be accepted, the question shall be determined by an examination of the clerk and of the papers belonging to that case, recorded and filed in his office, and, upon suspicion of fraud entertained by the court, the court may determine the question by any other testimony they may deem of service to expose the same, for which purpose, the court may order the immediate attendance of said clerk, with the official record of the case, for the inquiry and inspection of the court. If the court shall find the exception made as above provided, well taken, and the transmitted papers materially defective, as alleged, they shall proceed to try and decide that case upon the original record; *provided*, such record be not objected to, and if so, there shall be no just ground for suspecting a fraudulent alteration thereof. But if such fraud be evident to, or suspected by the court, the case shall be dismissed.

SEC. 20. Should any clerk be found guilty of wilful neglect or fraud, in the course of the examination provided in the above section, the court shall enter their decision accordingly; and the clerk of the supreme court

shall forward a copy thereof to the Principal Chief, who shall suspend the clerk, so offending, from office, and report him to the next National Council for malpractice. And the clerk, so reported and suspended, shall be responsible for the full amount of cost that may attach to the suit dismissed for fraud, which cost shall be collected out of the salary due such clerk, and he shall forfeit, upon trial and conviction, the rest of any salary due him, at the time of suspension, to the Nation, for the use and benefit of the public schools.

SEC. 21. No case shall be continued twice (from one term to another) after the suit has been docketed and called, except by consent of the parties. But upon satisfactory showing to the court by either party, that damage to his interests involved in the case, may be reasonably apprehended from a trial at that time, on account of some accident or unexpected event connected with the suit, the court may, at its discretion, grant relief by ordering a continuance until the next term.

SEC. 22. The supreme court shall have power to make and award such judgments, orders and decrees, and to issue such writs and processes as they may find to be necessary to carry into full effect the powers which are or may be hereafter vested in them by law.

SEC. 23. The supreme court shall have authority, within the limits of their judicial action as prescribed by law, to exercise a general superintendence over courts of inferior jurisdiction, through and by means of decisions made and declared by the court upon questions of

law, evidence, and practice, submitted to them in the course of the trial, or examination of all causes of which they shall be allowed cognizance by law.

SEC. 24. The court shall have power to prescribe, from time to time, such rules of practice for regulating the procedure in the trial of cases in the lower courts, as they may deem necessary, expedient or serviceable, and which shall not conflict with the rules prescribed by law. And the object of the court in prescribing such rules, shall be, the more speedy and accurate presentation of the issue or point of difference between the parties, the exclusion of unnecessary and irrelevant testimony, and the more certain administration of justice.

SEC. 25. After the docket has been disposed of at each term of the court, the court shall continue in session for the consideration of reports of the judges of the circuit courts and for the establishment of such rules of practice, for the use of the lower courts, as the court shall deem expedient to adopt and impose, and the clerk of the supreme court shall record the rules so adopted and imposed, as part of the proceedings of the court, and shall, previous to the next regular term of the respective courts, or whenever applied to by any of the judges, prepare and furnish a certified copy of such rules to such judge, for his information and guidance.

SEC. 26. When an appealed case is opened for consideration by the supreme court, the court shall first consider and decide such questions, if any, of evidence, as may have been appealed from the decision of the

circuit court. Should the court decide that the testimony, offered and excluded in the court below, ought to be admitted, or that testimony there admitted ought to be excluded, or in either case shall confirm the decision of the court below, they shall proceed to try and decide the case upon that part of the testimony transmitted, or the whole thereof, as shall be found by them to be proper evidence in the case.

SEC. 27. All decisions of the supreme court, (intermediate and final,) shall be made and rendered, as well for the government and guidance of the lower courts and the citizens of this Nation in general, as for the just and true interpretation of the law, and the settlement of the dispute and administration of justice between the parties. Accordingly, each decision shall be accompanied with a statement, as far and as full as may be practicable, or necessary for the purpose, of the grounds in law or evidence upon and by reason of which, such decision has been made. Each decision shall be attended or preceded by a distinct statement of the issue between the parties, the situation of the case as set forth by the evidence before the court, the law or laws governing the case, and the interpretation and application of the same by the court, with the reasons therefor, and the principles of law or evidence involved in the suit and affecting the decision thereof; and of such other matters and considerations, having relation to the decision, which the court may deem essential to give value and force to a law precedent for the government and guidance of the courts and citizens of the Nation in similar cases arising thereafter.

SEC. 28. All decisions made by the supreme court shall have the force of law, as to the construction and application thereof, in all the courts of this Nation, until such construction or application shall be limited, altered, or in any manner amended, by a subsequent decision of a subsequent case by the supreme court.

SEC. 29. The judges of the supreme court shall have and exercise exclusive criminal jurisdiction of all cases of manslaughter, and of all cases involving the punishment of death, which shall be instituted as required by law, "whether such cases originated under the laws previous to November 1st, 1875, or that have arisen or may hereafter arise under laws subsequent to said date of November 1st, 1875—*provided* that in the trial of such cases the court shall state to the jury the particular law or laws under which such cases originated and are to be tried. whether under the laws existing previous to said date of November 1st, 1875 or subsequent to that date."—(December 4th, 1877). And in order to ensure an equal division of labor between the judges, it shall be the duty of the Principal Chief to divide the districts of the Nation into three supreme judicial circuits, as equally as to population as may be practicable. and which circuits shall be respectively numbered, first. second and third; the district of Delaware being in the first, Tablequah in the second, and the district of Canadian in the third. To each of the circuits, when defined, one supreme judge shall be assigned by the Principal Chief, by proclamation of such assignment made in the usual manner. Each judge,

and his successors, unless disqualified by relationship, shall preside, within his circuit, over the trial of the description of cases designated above: *provided*, the Principal Chief may, at the commencement of each year, make such changes as to the limits and extent of any circuit defined by him, and as to the assignment of the judge thereto, as he shall deem expedient. Such changes to take effect upon proclamation thereof, as provided above.

SEC. 30. Should any supreme judge be related, in any criminal case reported to him, whether to the accused or to the person upon whom the crime has been committed, and be objected to, or should he be disabled from presiding by any sufficient and lawful cause, he shall, as soon as such case is reported, transmit by the sheriff reporting the case a written notice of such disqualification or disability, with the cause thereof, to either of the other supreme judges, who shall be authorized then to try that case: and should the judge thus notified be objected to and be disqualified likewise by relationship, or be unable to preside, he shall forward the notice received from the first judge, with a notice of the like tenor and effect from himself, to the remaining supreme judge, who shall be authorized to proceed and try that case. And should all the supreme judges be related or unable to preside in any case, the last judge to whom the case shall be reported shall transmit the written notifications received by him from the other judges, with a like notification of the cause of his own disqualification, to the Principal Chief, who

shall then appoint and commission some suitable person to preside as special judge in the trial of that case; *provided*, that, any judge, notified as above, shall proceed to call court for the trial of the case reported; and no judge shall be held to be disqualified by relationship, except he be lawfully objected to for that reason, at the first calling of such case by such judge; otherwise the consent of both parties to his presiding shall be presumed as being given by both parties.

ARTICLE III.

CIRCUIT COURTS.

SEC. 31. There shall be established three judicial circuits, which shall be respectively designated and known as the "northern," the "middle" and "southern" circuits. The northern circuit shall be composed of Delaware, Coo-wee-skoo-wee, Saline and Tahlequah Districts. The middle circuit shall be composed of Going Snake, Flint, Sequoyah and Illinois Districts. The southern circuit shall be composed of Canadian District.

SEC. 32. There shall be one judge elected for each circuit, by the qualified voters of the districts composing the same, at the time and places, and in the manner ordained by law, and whose term of office shall be that prescribed by the constitution, and whose election shall be determined as provided by law.

SEC. 33. The judges shall hold their respective

courts in each district commencing on the days following, to-wit: In Delaware and Going Snake, on the first Monday in May and September; in Coo-wee-skoo-wee and Flint, on the second Monday in May and September; in Saline and Sequoyah, on the third Monday in May and September; in Tahlequah and Illinois on the fourth Monday in May and September; in Canadian, on the last Monday in April and August, of each year.

SEC. 34. The circuit courts shall have "jurisdiction of all criminal cases, except those of murder and manslaughter, involving directly or indirectly a sum exceeding one hundred dollars"—(December 4th, 1877,) and of all civil suits in which the title to real estate, or the right to the occupancy of any portion of the common domain shall be in issue, and of all other civil suits in which the amount at issue shall exceed one hundred dollars. But the court may try and decide all causes that shall be brought before it by appeal from the district court, in which the value of the demand in each case shall not be less than twenty-five dollars; and the decision of the court in cases so appealed from the district court shall be final.

SEC. 35. The circuit court shall observe and be guided by such rules regulating the mode of conducting suits in such court, as may be established by law, and by those made and approved for that object by the supreme court, not conflicting with the former.

SEC. 36. The circuit courts shall have power to adopt and practice such other rules and methods of

conducting cases therein, as it may deem proper and serviceable for the administration of justice between the parties, not inconsistent with the general rules imposed by law, or those established by the supreme court; and to make and issue such subpoenas, orders, injunctions and other processes and writs, as the court may find necessary to develop and obtain evidence, and to carry into full effect, for the finding, determining and securing the rights of both parties to a suit, the powers that are or may be given to the court by the laws of the Cherokee Nation.

SEC. 37. Each judge shall make out, arrange and number, such rules as may be adopted by him, pursuant to the authority given him in the preceding section, which rules the clerk of each court shall copy in a book to be kept for that purpose, with the rules established by law and those imposed by the supreme court. At the close of each fall term, the several judges shall forward a copy of their respective rules of practice, with such explanations as they may deem proper, to the clerk of the supreme court, to be endorsed or amended by that court.

SEC. 38. The clerks of the circuit courts shall, in all cases liable to be appealed, record in full the testimony of oral witnesses on both sides, and the proceedings of the court; and shall record, as part of the proceedings, all motions made by either party, with the rulings of the court thereon, and the general reasons therefor, as presented by the court and approved by

him. And in case of an appeal, no ruling, unless excepted to at the time of its delivery, and so entered in the proceedings, shall be subject to the consideration and revision of the supreme court.

SEC. 39. When evidence, offered by either party to a suit before the circuit court, shall be objected to by the other party as inadmissible, and there appears to the court to be no rule previously established by the supreme court by which the question of its admission or exclusion may be promptly determined, such testimony, if rejected by the judge, shall be separately filed with the other papers in the case, enveloped and marked as "testimony objected to and rejected," and shall, in case of an appeal, be forwarded to the supreme court as part of the case, with the ruling of the circuit judge thereupon, for their final decision.

SEC. 40. Any testimony, objected to as above, and accepted by the judge, shall, if oral, be marked by brackets and the words "objected to" written upon the margin, and, whether oral or documentary, the clerk shall clearly designate in his report of the proceedings in such case, what testimony so objected to has been received or rejected by the circuit judge, and in case of an appeal, the question of the admissibility of such testimony shall, if submitted by the party, precede the trial of the case.

SEC. 41. Any case, in which the amount at issue shall exceed one hundred dollars, may be appealed to the supreme court by either party, provided an appeal

be moved for before an adjournment of the court. And, in the event of an appeal, a copy of the testimony of oral witnesses, and of the proceedings and decisions of the court and jury, with the original documentary testimony submitted to the court, whether original instruments or copies, shall be certified to by the clerk as the testimony rendered in that case, and be sealed up by him, with the names of the parties and the subject of dispute marked on the outside; the package shall then be directed to the chief justice of the supreme court, and placed in the hands of the sheriff of the district, to be conveyed by him to the clerk of the supreme court, on or before the first Monday of October in each year.

SEC. 42. Should the defendant in any case appeal, as provided above from the circuit to the supreme court, the appeal shall be void, and executions shall issue upon the judgment of the circuit court, unless such defendant shall within three days after the adjournment of the regular session of the court, file a bond with security, and to an amount satisfactory to the presiding judge, for the maintenance of the suit on his part, or the payment of all lawful costs of suit.

ARTICLE IV.

DISTRICT COURTS.

SEC. 43. There shall be established one district court in each district, and one judge for each court, who shall be elected for the term of two years by the

qualified electors of their respective districts, at the time, places, and in the manner provided by law.

SEC. 44. The district courts shall have "jurisdiction of all criminal cases, whether felonies or misdemeanors, involving, directly or indirectly, the sum of one hundred dollars or less amount. All indictments for the prosecution of felonies or misdemeanors must state the probable amount claimed by the claimant, whether in damage, property, effects or money."—(December 4th, 1877.) They shall also have jurisdiction of all civil suits in which the value of the demand shall not exceed one hundred dollars, and the decisions of the court, in all cases where the sum shall not exceed twenty-five dollars, shall be final; when over twenty-five and not over one hundred dollars, an appeal may be granted to the circuit court; and the witnesses again be summoned to appear and give testimony in that court.

SEC. 45. If the defendant takes an appeal he shall be required to give bond and security to the satisfaction of the judge for the payment of all cost that may attach to that suit, as provided by law.

SEC. 46. The method of conducting suits in the district court, shall conform to the rules governing the practice established by law, and imposed by the supreme court, so far as the same can be applied in each case by the judge thereof, and it shall be his duty to impartially instruct, advise and inform, either or both parties to any suit, as he may deem it necessary, in regard to the requirements of such rules, for the

proper accomplishment of the object thereof, as declared by law.

SEC. 47. The district courts shall hold their regular terms, for the trial of all civil causes, at the places respectively designated for holding court in the several districts, on the first Monday of January and July.

ARTICLE V.

JURIES.

SEC. 48. The trial of all cases, in which the issue is wholly, or in part, one of fact, and to be determined by evidence, shall be by jury, except contested elections and cases that may be brought before the supreme court by appeal from the circuit court.

SEC. 49. No person who is related to either of the parties to any suit, either by consanguinity or affinity, nor any person who is interested in the termination of a suit, or who has previously served as juror in the trial of that case, shall serve as juror in that suit. No person under the age of twenty-one years, nor any person who has been convicted of any felony, nor who may be under punishment for misdemeanor, shall be summoned to serve on a jury in any case. And no member of the legislative or executive departments, or any commissioned officer of this Nation, nor any officiating minister of the gospel, practicing physician, lawyer, public ferryman, school teacher, or person older than sixty-five years, shall be compelled to serve on any jury, grand jury, or as guard.

SEC. 50. The judge of each court shall, at least thirty days before the regular term of such court, make out and furnish the sheriff with a list of names of respectable persons who shall be summoned to act as jurors, and the judge or clerk shall administer to them the following oath: "You, and each of you, do solemnly swear, that you will well and truly try all issues that may be submitted to you, and left to your decision by the court, during the present term, and true verdicts render according to the evidence,"—which oath shall authorize said jury to try all issues, that may be submitted to them during that term of the court. Five persons shall constitute a jury in the trial of all civil suits, any three of whom may render a verdict.

SEC. 51. Within the two weeks immediately following the reception of his commission, each of the several judges of courts, shall make out and transmit to the clerk of his district, or of each district within his judicial circuit, a list of one hundred and forty-four names of persons, the most competent and suitable, having the qualifications of jurors, and being residents of the district, which list the clerk shall file, and write the names contained in each on separate slips of paper, and deposit and safely keep such slips in separate boxes marked "circuit court," "supreme court," and "district court." And whenever a criminal case is reported, the sheriff shall, in the presence of the clerk, draw slip by slip, by chance, from the "box," of the court having jurisdiction, the number of slips corresponding to the number of names required by law; from

which slips the clerk shall make a list of names, until the number of jurors required have been obtained. and shall cause immediately to be summoned, the persons designated thereby to serve as a jury in that case at the time fixed for trial. If the list in either box is exhausted before the expiration of the year, additional lists of half the number may from time to time be in like manner furnished by the judge, but no person shall be again summoned to serve on a jury in the same court, until those included in the list first furnished by the judge have served once.

SEC. 52. The judge furnishing lists of jurors, or clerks filing such lists, as provided in the preceding section, shall not give information, to any person, what names have been so selected and furnished, until they shall have been drawn by the sheriff to serve as jurors as provided; and any judge or clerk who shall give such information, shall be deemed guilty of criminal negligence and misconduct in office, and shall be removed from office therefor by the Principal Chief.

SEC. 53. In all cases of manslaughter and those involving a capital charge, the sheriff shall draw, to be summoned in the manner provided in the preceding section, twenty-four persons to serve as jurors, and the court, before proceeding to impanel the jury, shall propound to each one, on oath, the question, whether or not he has formed or expressed an opinion as to the guilt or innocence of the prisoner arraigned for trial; if the answer be in the affirmative, to either question, the court shall propound the further question, whether such

opinion, so formed or expressed, would deter him from being an impartial juror, or from rendering an impartial verdict as such. Any juror answering both questions in the affirmative shall be set aside.

SEC. 54. But any juror, answering the latter question in the negative may be interrogated by the court, or, by permission of the court, may be interrogated by either of the parties in reference to his opinion so formed or expressed, and the court may, in its discretion, set aside such juror, upon reasonable suspicion of bias in the mind of such juror, for or against the prisoner. Other competent persons shall be immediately summoned in place of those set aside, whose qualifications to sit shall be tested in like manner, until the requisite number of twenty-four impartial and competent jurors shall be obtained, of which the prosecution shall have the right to challenge or object to six; the accused, if he chooses, or upon his refusal to choose, the court shall select out of the remaining eighteen, the twelve to try the case, who shall be qualified therefor by the judge or clerk. But, in all other criminal cases, the clerk shall summons twelve, after the same have in like manner been drawn by the sheriff, who shall be empaneled as above, the prosecution objecting to three, and the accused or court selecting the six out of the remaining nine to try the case. No verdict shall be rendered in any criminal case without the unanimous consent of the whole jury.

SEC. 55. In case of a disagreement of the jury, and the court being satisfied that such jury cannot agree,

the jury shall be discharged, and a new jury, in like manner, empaneled to try that case.

SEC. 56. In the second, or any after trial of any criminal case, proceedings shall be conducted upon the charge preferred as if no previous trial had been had; *provided*, either party shall be allowed to examine witnesses as to their former statements, and to introduce such statements as evidence in regard to the creditability of such witnesses.

SEC. 57. After a jury has been impaneled in the manner above prescribed, it shall be the duty of the presiding judge to place said jury in the custody of the sheriff, or his deputy, who shall keep the said jury from separating and from holding intercourse with any person, without the permission of the court, until they have rendered a verdict, or been discharged by the court; and any juror holding, or attempting to hold, any intercourse with any person, without the consent of the court, while in the custody of the sheriff, shall be peremptorily fined by the court not less than twenty-five dollars, nor more than one hundred dollars. It shall be the duty of the sheriff to furnish any jury thus placed in his custody with necessary provisions and refreshments, the expense of which shall be paid by the Nation.

SEC. 58. In charging the jury, the judge shall, in all cases, present the testimony without signifying his opinion of the weight and preponderance of the evidence. He shall state the law applicable to the case as set forth in the summons or indictment, with such

instructions as to the kind and degree of proof required to sustain the allegations or charge, as he may deem of service, or necessary to guide the jury to a just and legal decision or verdict.

SEC. 59. If the jury shall disagree in any criminal case, the presiding judge shall require them, or either of them, to make known to him the cause of such disagreement, and if such disagreement, in whole or in part, shall be as to the meaning or the application of the law to the facts found by them, the court shall instruct them thereon, in which case, the jury shall return to their deliberations, and continue the same until they agree, or the judge is satisfied they cannot agree.

SEC. 60. Before impaneling a jury in civil and criminal cases, the court shall make such enquiry of those summoned to serve as to their legal qualifications, as he may deem necessary; and either party may at the same time allege such good cause of disqualification as he may be aware of, which alleged cause shall be examined and determined by the court. The places of those who may be disqualified shall be filled by other competent persons, to be immediately summoned.

ARTICLE VI.

GRAND JURORS.

SEC. 61. At least fourteen (14) days before the commencement of the first regular terms of the circuit and district courts, in each year, the judges of both courts shall each furnish to the sheriff of each district,

a list of five names of persons, to be selected from the most respectable, intelligent and responsible citizens of the district, who shall be summoned to act as grand jurors for that district during the year, and to sit during the regular terms of the court respectively, unless sooner discharged by the court, and, if required by the solicitor, for any other period not more than five days, and at or near the regular place of holding court, after the adjournment of the court. No person summoned to serve as grand juror shall be exempt from service, except on account of personal sickness, severe or dangerous sickness in his immediate family, or recent death, and before burial of any member thereof. In case of the absence of any person summoned as grand juror, his place shall be filled by some competent person who shall, if necessary, be summoned by special writ.

SEC. 62. At each regular term of the court, the grand jury shall be instructed by the court, and shall enter upon their duties before other business is done, or any case is called.

SEC. 63. The following oath shall be administered to the grand jurors before they proceed to business, viz:

You, and each of you, as grand jurors, for and in behalf of this, the district of ———, do solemnly swear, that you will diligently inquire and true presentment make, of all such matters and things as shall be given to you in charge; the purport of your intercourse with each other, with witnesses and with the solicitor of the district, you will keep secret while you are so engaged; that you shall indict no man for envy, hatred or malice, nor leave any man unindicted for love, fear, favor or affection, or hope of reward, but that you shall present

things truly as they shall come to your knowledge, according to the law, your instructions and the evidence, and the best of your understanding of these, so help you God.

SEC. 64. After being impaneled as above, the grand jury shall elect their foreman, by ballot, who shall act as foreman during the whole of their term of their service. In his absence, another foreman may be elected.

SEC. 65. It shall be the duty of the grand jury to hear and inquire into all complaints or accusations of crime or misdemeanor of which their courts respectively shall have jurisdiction; and the grand jury of the circuit court shall inquire into cases of which the supreme judges have jurisdiction, to call for and examine persons whom they may have reason to believe may be aware of the perpetration of any indictable offense within their respective districts, to make use of all the means placed in their power, to develop a discovery of all violations of law of which they shall have cognizance, to inquire into and to present such indictments, or discharge such accusations, as shall be in conformity to law and the instructions of the court.

SEC. 66. A majority of the grand jury may find an indictment.

SEC. 67. It shall be the duty of the solicitor of the district to be in attendance at court during the sessions of each grand jury of his district, to report to said grand jury all cases of violations of law subject to their inquiry, which have been reported to him, or which

may have come to his knowledge in any manner; to have present or forthcoming, if possible, such testimony as may be required to establish a *prima facie* case, and to advise and assist the grand jury, on part of the Nation, in the prosecution of new inquiries, in the production of evidence of offenses, and in the framing of indictments for the trial of the same when sufficient evidence has been produced.

SEC. 68. No indictment shall be found by the grand jury against any person suspected, unless from the evidence before them the grand jury shall believe upon their oaths that the accused is guilty of the charge preferred, and unless the evidence produced is, in their opinion, sufficient, if not contradicted or explained, to induce and justify a conviction of the offense when tried by an impartial jury.

SEC. 69. The grand jury shall appoint one of their number clerk, who shall record their proceedings in general, and keep a record of all witnesses sworn and examined by them, and report their names and time of service to the district clerk, who shall issue certificates accordingly.

SEC. 70. All persons desirous of informing of, or prosecuting any offense, shall, in the intervals between the regular terms of holding courts, communicate to the solicitor of the district information of the facts connected with such case. And the solicitor shall inquire into the accusation or case, with due diligence and care, to ascertain the probable truth of the same. Should the solicitor, after inquiry, have good cause to believe that

an offense has been committed, which a disclosure of the evidence available, shall enable him to prosecute, he shall cause the witness to be summoned to appear before the next grand jury; and in all cases he shall report the accusation or information presented to him, from any source, with his views thereon, to the grand jury, with the probable degree, and amount of evidence in regard thereto, for their action; *provided*, that proceedings shall not have been instituted according to law by the solicitor previous to the session of the grand jury.

SEC. 71. No solicitor shall disclose to any person, except members of the grand jury, any information that may come to his knowledge through operation of the preceding section, nor shall any grand juror or officer of the court disclose any matters pertaining to the actions or proceedings of the grand jury, nor that any indictment for felony has been found against any person, not in custody or under recognizance, otherwise than by issuing or executing process on such indictment, until such person shall be arrested.

SEC. 72. No grand juror or solicitor shall state or give information, at any time, of the matter sworn or testified to by any witness who may be brought before any grand jury, nor shall he state or testify in what manner he or any other member of the jury voted on any question, or what opinion was expressed by any juror in relation to such question. And in charging the grand jury, the court shall remind them of the provisions of this and preceding sections.

SEC. 73. Witnesses shall be summoned to appear before the grand jury, by subpoena issued by the district clerk upon application of the solicitor or the foreman of the grand jury, and served and returned by the sheriff.

SEC. 74. Indictments shall be issued substantially in the form following, to-wit:

Foreman of grand jury, — district.

SEC. 75. No grand juror, clerk, sheriff, or any other person to whom information shall come in the course of the performance of their duties of the finding of an indictment by the grand jury or solicitor, shall, before the arrest of the person charged, unnecessarily utter, convey, or by any means disclose such information to any other person; and any person, so doing, shall be subject to be reported to the judge of the court before which the indictment is to be tried, and, if found guilty, summarily, fined for contempt, not exceeding fifty dollars.

SEC. 76. The indictments, found by the grand jury, shall, at the adjournment of each session, be placed by the foreman in the hands of the district clerk, who shall issue warrants of arrest accordingly, and place the same in the hands of the sheriff of the district for service. The trial of any accused person shall proceed upon the original indictment found; but, in all cases after arrest, the accused shall be furnished by the clerk with a copy of the indictment, upon his application to the clerk for the same.

SEC. 77. Whenever information of the commission of any felony within his district shall come to the knowledge of any solicitor at any time between the sessions of the grand jury, and the due execution of the law shall, in his opinion, make it unsafe to wait for their action, but shall require an immediate investigation of the facts of the case, with the view to prevent the escape from justice of any person or persons already arrested, or strongly suspected; or to ascertain and fix the crime upon the guilty party; he shall be required to obtain from the district clerk subpoenas commanding the sheriff to summon such witnesses, whose testimony the said solicitor shall, after due inquiry, or from reliable information, judge to be necessary to a full and fair investigation of the matter, to appear before such clerk at some convenient time and place to be examined. The clerk shall preside over such examination, and shall reduce the material portion of the testimony of all the witnesses examined, to writing. After the examination of the witnesses that may be present, the clerk

may, upon satisfactory showing by the solicitor that any material witness already summoned has refused to attend, or that material and available testimony has come to his knowledge too late to be obtained at that time, adjourn further examination of the matter to some reasonable time; and, if the adjournment shall be applied for to obtain the testimony of any witness already summoned to appear, he shall issue a compulsory process, requiring the attendance of such witness. Any person, under arrest upon suspicion or charge of having committed the crime under investigation, shall be duly notified by the sheriff, or other officer having him in charge of the pending of such examination, and subpoenas for witnesses shall be issued at the instance of such person; but no adjournment shall be granted upon his application, except by consent of the solicitor. The object and purpose of the preliminary examination herein provided for, shall be to ascertain whether a crime has been committed, and if so, by whom; and and the solicitor shall conduct it without special desire or endeavor to fasten the guilt upon any particular person, further than the facts discovered or obtainable shall warrant.

SEC. 78. After the preliminary examination above provided for shall have closed, the clerk may, upon motion of the solicitor, discharge from custody any one already arrested upon charge of the crime investigated, should no sufficient proof appear to the solicitor to warrant a conviction upon trial; or should such sufficient proof appear against the prisoner, or against

any other person, from the testimony produced, the solicitor shall be authorized to file an indictment in consonance with the proof produced, and warrants of arrests, and to bring to trial, shall be issued accordingly.

SEC. 79. The preliminary examination, above provided for, may take place either with or without the arrest of any suspected person; but in any case of an arrest for felony by citizens, or when the solicitor shall deem it necessary to prevent the escape of any suspected person, he shall file information of the charge accordingly before the district clerk, who shall issue a warrant for temporary arrest against such suspected person to prevent his escape, until an examination can be had, as above provided.

SEC. 80. Any witness, who may testify in any preliminary examination, shall, if the solicitor require it, give his personal recognizance to the clerk in the sum of two hundred dollars, for his appearance at or before any special court to be called thereafter, to try any indictment found in consequence of such examination; and should any witness refuse to give such recognizance, he shall forfeit the amount due him for attendance, and be further subject to a fine, hereby imposed, of the amount of his recognizance, for the collection of which, execution shall be immediately issued by the clerk; and no property, except improvements, shall be exempt from satisfying such execution.

SEC. 81. No warrant for arrest for felony or misdemeanor shall be issued except upon indictments

found either by the grand jury or upon application of the solicitor, as above provided; *provided*, that any citizen shall, when the solicitor shall refuse to prosecute on account of insufficient evidence, have the right to indict and prosecute another for felony or misdemeanor, after first filing a bond, with good and sufficient security satisfactory to the clerk of the district, for the payment of all costs of the prosecution to be instituted by such person should there be no conviction; and no property, except improvements, shall be exempt from satisfying judgment upon such bond.

SEC. 82. When an indictment for murder has been found upon *ex-parte* proof or issued upon application of a citizen as provided by law, and upon trial of such indictment and a hearing from both sides no sufficient evidence shall appear as charged, but sufficient evidence shall appear to justify a conviction for manslaughter, either in the first or second degree, it shall be lawful for the jury to find such verdict of manslaughter in the first or second degree, as the case may be, and as the facts, found by them under the law as stated and expounded by the court, may warrant.

SEC. 83. When an indictment for manslaughter in the first degree has been found, it shall be lawful, on the trial thereof, for the jury to find a verdict for manslaughter in the second degree, if the facts proved to them upon such trial shall warrant a verdict of manslaughter in the second degree, and not of the first as charged; and the presiding judge shall so charge the jury, when he shall deem it necessary.

SEC. 84. The verdict of a jury shall in no case convict any accused of any crime, other than that charged in the indictment, except as provided by law in the case of indictments for murder, or for manslaughter in the first degree.

ARTICLE VII.

CRIMINAL TRIALS.

SEC. 85. Any of the judges shall have the power to call and hold a special term of court for the trial of criminals for offenses over which they respectively have jurisdiction. And when a case shall be reported by the sheriff to the judge having jurisdiction, he shall bring the accused to an immediate trial, without further delay than shall be necessary to enable both parties to obtain testimony, according to the provisions of law in relation thereto, unless the accused shall give bail for his appearance at the next regular term of the court, to which time, in such case, the trial may be postponed.

SEC. 86. If any circuit judge shall be related by consanguinity or affinity to either of the parties to a criminal suit, (to the person injured or to the accused) and be objected to, he shall inform, by the sheriff, the supreme judge within whose criminal circuit the district, in which such criminal suit has been instituted, is embraced, of the pendency of such case, and the fact of such relationship or interest, with the degree thereof; and the supreme judge, so notified, shall be thereupon clothed with the powers of the circuit judge for the

trial of that special case, and shall fix the time of trial, and preside in the same accordingly.

SEC. 87. Should any district judge be so related, in any criminal case, and be objected to, he shall transmit information of the fact, by the sheriff of the district, to the circuit judge, within whose circuit said district may be included; and the circuit judge, so notified, shall thereupon be vested with, and shall perform, the powers and duties of district judge, for the trial of that special case.

SEC. 88. In case any supreme or circuit judge, who may be notified according to the provisions of the two preceding sections, shall be also disqualified by relationship in any criminal suit, such supreme or circuit judge shall, as soon as the fact shall come lawfully to his knowledge, notify the Principal Chief, by a statement of the facts in writing, and the Principal Chief shall be authorized to appoint and commission some competent person to preside as special judge in the trial of that case.

SEC. 89. If any judge shall be related by consanguinity or affinity to either of the parties in a civil or criminal suit, or be interested in the termination of a civil suit, either party may, at the first calling of said suit, after it has been docketed by the clerk, object to the presiding of such judge, and if no objection be then made, the consent of both parties to his presiding shall be construed as given, and no objection shall be allowed afterwards. When objection shall be made in any civil suit to any judge, as provided in this section, he shall

transmit the same to the Principal Chief, who shall appoint a special judge to preside in that suit.

SEC. 90. The compensation of judges, temporarily appointed to preside in special civil or criminal cases, shall be five dollars a day, while in actual service.

SEC. 91. When two or more defendants are jointly indicted for a criminal offense, any defendant, requiring it, may be tried separately and the prosecution may sever the trial of joint defendants when deemed necessary. But in all cases where the trial of joint defendants is severed, the court shall designate the defendant to be tried first.

ARTICLE VIII.

TESTIMONY AND RULES RELATING THERETO.

SEC. 92. Any person, of whatever religious belief, and of sufficient age and intelligence to comprehend the obligation of an oath, not excluded upon the ground of interest, and not otherwise disqualified by law, may be called as a witness in any suit brought before a Cherokee court. The following oath shall be administered to each witness when called for examination in any cause or proceeding, before making his statement, viz:

You do solemnly swear (or affirm,) that the statement you will make, and the answers you will give, in the matter whereof you are about to be examined, shall be the truth, the whole truth, and nothing but the truth, to the best of your knowledge. So help you God.

SEC. 93. All matters, properly affecting the cred-

ibility of any witness who has been examined by one party, shall be allowed to be proven by the opposite party by means of cross-examination or by other witnesses, under the rules established by law or the supreme court and found applicable by the presiding judge. If no such rule be found applicable, the presiding judge shall determine it as justice shall appear to him to require, and shall cause his ruling on each point to be recorded with the reasons, in brief, therefor.

SEC. 94. Any person having a direct, personal, and pecuniary interest in the event of any civil suit at law, or any person, to whose personal pecuniary loss or advantage the verdict in any civil suit may be directly used or applied, shall be disqualified by reason of his interest in such suit from being a witness in the same, except in cases provided otherwise by law. And the presiding judge shall construe and apply this general rule in each particular case, as the facts shall seem to him justly to warrant, whether in reference to parties to the record or not. But no indirect interest of any kind, nor any direct interest, not pecuniary, growing out of the relations of any person with the parties in interest, shall disqualify such person from testifying in any cause: but such interest may be proven upon trial, and shall go to the credibility of the witness to such degree as the jury shall, upon their oaths, see reasonable grounds.

SEC. 95. The supreme court shall be authorized to

construe, interpret, explain and provide for the correct application of this rule, as occasion may require.

SEC. 96. It shall be the duty of the court, in the trial of any civil or criminal case, upon motion of either party, to order the opposite party to produce any documents, books, or papers in possession of such party, as shall be evidence in the case, and this rule may be enlarged upon, extended and explained by the supreme court, to effect the object thereof, as occasion shall require, under the general authority granted such court to establish rules for the uniform guidance and practice of the courts.

SEC. 97. Hearsay testimony shall not be generally admissible; but for the more uniform and regular practice of this rule of evidence by the courts, and in view of the modifications frequently found to be necessary in the course of its application, the supreme court shall define, limit, and explain this rule and its exceptions, with other rules to be adopted by such court, for court practice and guidance; and from time to time such court shall, by reference or otherwise, further define and explain such rule and its exceptions, as circumstances and the practice shall, in their opinion, require.

SEC. 98. All other rules respecting the competency and credibility of witnesses, and the admission, exclusion, and relevancy of testimony, are hereby authorized to be made and adopted by the supreme court, consistent with the general rules provided by law, and applied by the presiding judge in each pending case, so

far as such rules, or any of them, shall be applicable. In case the rules adopted shall not be applicable to any question of evidence, the presiding judge shall be authorized to so rule upon such question as, in his opinion, will best subserve the purpose of testimony; but all special rulings in criminal cases, with the facts explaining them, shall be, to insure uniformity of practice, recorded by the clerk, and be by him reported, in brief, yearly to the supreme court with civil cases, on or before the first Monday of October of each year.

SEC. 99. All suits upon a note of hand, or upon any written promise, covenant, contract, or sworn account, whatever, shall either have a copy of the written instrument or account embodied in full in the summons, or a copy of such instrument shall be by the plaintiff left in the hands of the clerk issuing the summons, when the summons shall be issued, for the information of the defendant; and no original document or writing, upon which suit is brought, shall be allowed to be produced upon trial, unless the defendant shall have been accurately notified of the contents thereof, as provided in this section.

SEC. 100. No documentary rebutting testimony shall be allowed to be produced as an off-set by the defendant, in any suit instituted upon a note of hand, promise, agreement, or covenant, or upon a sworn account, unless such documentary rebutting testimony, or copies thereof, shall be transmitted to, or left in the hands of, the clerk of the court issuing the summons in such suit, for the period of ten days or more immedi-

ately preceding the first holding of the court after the institution of the case.

ARTICLE IX.

WITNESSES AND SUBPOENAS.

SEC. 101. Parties, instituting and defending civil suits at law or representing the parties in criminal prosecutions, may apply to the clerk of the court having jurisdiction of the case, for subpoenas for witnesses, in their behalf, living within the limits of this Nation or elsewhere.

SEC. 102. No case shall be continued from one term to another by the plaintiff on account of the non-attendance of oral witnesses, unless subpoenas commanding their attendance shall have been obtained in time for service; nor by the defendant for the same reason, unless subpoenas have been obtained in like time by him, or oath is made by him that information of material testimony, possible to obtain, has come to his knowledge too late for the service of a subpoena.

SEC. 103. The original subpoenas issued for a witness living outside of the Indian Territory, shall be retained by the clerk, and kept on file with the other papers in the case, but a duplicate copy shall be furnished the party applying, for transmission to such witness.

SEC. 104. The original subpoena for any witness living within the Indian Territory, and without this Nation, shall likewise be retained by the clerk, but a

duplicate shall be furnished by the clerk to the party applying, to be placed in the hands of the sheriff of the district, who shall thereto attach an official request from under his hand requesting "any lawful officer," of the Nation where the witnesses reside to serve and return, by mail, the accompanying process to the hands of the sheriff forwarding the same, which duplicate shall then be enclosed and directed to "sheriff or executive officer" of the particular district or division of the Nation in which the witness lives, and be mailed at the nearest post office.

SEC. 105. No case shall be postponed from one term of the court to another, on account of the absence of any witness living outside of the limits of this Nation, unless the court be first assured that the testimony of such witness is material; that all lawful and proper endeavors have been made by the party, to obtain his attendance, and that either sufficient time has not been had for the purpose, or that the witness, having been notified, is willing to appear, but has been unavoidably prevented, and may reasonably be expected to be present at the next term.

SEC. 106. Any person, not a citizen of this Nation, who shall refuse, or willfully neglect, to obey a subpoena to testify, either in a civil or criminal case pending before a Cherokee court, may be reported by the party obtaining such subpoena to the solicitor of the district where such non-citizen resides, whose duty in such case shall be to report him to the proper authority for immediate removal as an intruder.

SEC. 107. Any citizen of this Nation, who shall fail to obey a lawful subpoena to testify in a civil or criminal case pending before a Cherokee court, and who shall not give timely information to the presiding judge, satisfactory to him, of good and valid reasons for his non-attendance, shall, upon complaint of the party obtaining the subpoena, setting forth the fact, and that he considered the witness important, be summoned by such judge to appear at the next regular term of the court and answer for contempt; should any citizen, so summoned, fail to appear to answer, or if he appear, and no valid excuse is set forth to the court's satisfaction for his non-attendance as witness, he shall be peremptorily fined for contempt in a sum not less than twenty-five dollars, nor more than one hundred dollars, at the discretion of the court, and be moreover liable to a suit for damages by the party by whom he had been subpoenaed, to the amount of the injury done such party by his non-attendance.

SEC. 108. In all criminal trials, when a witness has been summoned and is absent without lawful excuse, or where there is reason to suspect that a witness is seeking to evade the service of a subpoena to testify, and the party desiring his testimony shall make oath that he considers the testimony of the absent witness, material to him, the presiding judge shall be authorized to compel the attendance of such witness, either for or against the prisoner, by directing the clerk to issue a compulsory process, commanding the sheriff to arrest the witness, and have him in person at the time and

place fixed for trial, and the court may, at its discretion, and with due regard for the rights of the parties and the execution of the laws, continue the cause to such reasonable time or times, as will allow the attendance of any witness excusably absent, or the service of any compulsory process ordered by such court.

SEC. 109. No excuse for non-attendance on part of a witness, duly summoned to testify before any court, shall be deemed lawful and valid, unless satisfactory showing be made to the court that obedience to the summons was impossible, or would have been, attended with serious and unavoidable loss, or with probable and serious danger to his own health, or the health of his family.

SEC. 110. Witnesses summoned in any case, and serving until discharged or excused, shall be allowed one dollar for each day's attendance, including going to and returning from court

SEC. 111. In civil cases, the compensation of witnesses in each suit shall be attached to the same as costs, and shall be paid by the party cast, and no further costs shall attach to any suit.

ARTICLE X.

EXECUTIONS.

SEC. 112. Whenever final judgment is rendered in any case, by a court, the clerk thereof shall, within five days after the adjournment of the court, issue an execution, directed to any proper officer, to proceed forthwith and make collection from such party to the amount of

such judgment and costs; and such execution shall be returnable at the next session of said court, with a certificate of the proceedings had thereon, which shall be recorded by the clerk of said court.

SEC. 113. Property, levied upon by virtue of an execution, shall be advertised by the sheriff at three of the most public places in the district to be sold to the highest bidder; and for all sums not exceeding fifty dollars, such sale shall be advertised ten days, and for all sums over fifty dollars, twenty days notice shall be given; and the sheriff shall be allowed a fee of six *per centum* on all collections of money which may be made by him under an execution, to be deducted from the amount collected; *provided*, it shall not be lawful, except in cases otherwise expressly provided for by law, for any officer to levy upon, and sell to satisfy an execution the following property, which is hereby exempted and reserved for the use and benefit of the owners thereof, viz: The house, farm, and other improvements, mechanical tools, manufacturing and farming implements, one span of horses or mules, or in lieu thereof, one yoke of oxen, one wagon, one pair of harness, one saddle and bridle, wearing apparel, fire-arms, library, household and kitchen furniture, two hundred and fifty bushels of corn or other grain, one thousand pounds of pork or bacon, twenty head of stock hogs, five cows and calves, and all domestic fowls: *and provided further*, that the above exemptions, except so far as improvements are concerned, shall not apply to any case wherein a person shall be required by law to

give bond, and who shall give bond for the maintenance, security or preservation of national or individual interests: and this proviso shall extend to the sureties of such bond in like manner as the principal: but all the property and effects of any such principal or surety, with the above exception, shall be liable to be levied upon to satisfy any execution which may be issued upon any final judgment of the court declaring a forfeiture of such bond.

SEC. 114. Any execution, remaining unsatisfied in whole or in part at the next term of the court after its issuance, may, at the request of the party in whose favor it has been issued, be delivered to him by the clerk, who shall make record of such delivery. And any lawful officer shall be authorized, upon the application of the party holding such execution, at any time, to serve, in whole or in part, such execution upon any property of the debtor subject to levy, until the execution shall be fully satisfied, when it shall be returned, as provided above, to the clerk of the court from whence it issued, for a record of the proceedings had therein. And any officer serving such execution at any time in part, shall endorse upon it a certificate of the amount of such service for record.

ARTICLE XI.

LIMITATION OF ACTIONS.

SEC. 115. Judgment shall not be rendered for the recovery of any improvement upon the public domain in any suit brought before the courts of this Nation,

unless such suit be instituted, as required by law, within three years next after the time at which the right of bringing suit for the recovery thereof, or the cause of action shall have accrued to the person claiming the same, or to the person through whom he claims, saving to minors and persons "*non compos mentes*," the three years named above after the removal of their disabilities.

SEC. 116. Judgment shall not be rendered upon any written contract, obligation, or note of hand, in any suit brought before the courts of this Nation, unless suit be instituted thereafter as required by law within five years next after the time at which the cause of action shall have accrued to the person bringing the same, or to the person through whom he claims, saving to minors and persons *non compos mentes*, the three years above named next after the removal of their disabilities.

SEC. 117. Judgment shall not be rendered for the recovery of any claim or demand, except as provided in the two preceding sections, in any suit brought before the courts of this Nation, unless such suit be instituted for the recovery thereof, as required by law, within two years next after the time at which the cause of action shall have been accrued to the person bringing the same, or to the person through whom he claims; *provided*, it is made the duty of every administrator, guardian, and executor, to bring suit for the claims or demands due any estate or ward, within the time herein above specified, or such claims shall not be recoverable by law; and any administrator, executor, or guardian,

neglecting or failing so to do, shall be liable to the parties in interest for such failure or neglect.

SEC. 118. No criminal procedure, excepting in cases of felony or larceny wherein the sum is over twenty-five dollars, shall be instituted against any person, unless within two years after the cause of action shall have arisen.

ARTICLE XII.

GARNISHMENT.

SEC. 119. The clerks of the several districts, on the oath of any plaintiff to a suit, or in whose favor judgment may have been rendered by any court in a suit, that he has reasons to believe that any person has in his possession any money or property belonging to the defendant therein, and that he further believes that such defendant has not in his possession visible property sufficient to satisfy plaintiff's demands, shall issue a summons of garnishment, directed to the sheriff of the district wherein such garnisher may reside, commanding him to summon such person to be and appear at the time and place in the district designated, to answer on oath whether he has in his possession any money or property belonging to the defendant, and in what sum, and in what kind, or had at the time of the service of the garnishment. The garnishee, answering affirmatively, shall be required to retain such property or money, so held, in his possession until the termination of suit, or be answerable to plaintiff for the same, and be liable to damages for such loss as the plaintiff

may thereby sustain; but if judgment be had against the defendant, such property or money shall be delivered to the sheriff, who shall dispose of the same as the judgment of the court may require.

SEC. 120. Any person willfully failing or refusing to obey any summons of garnishment, as served upon him, shall be deemed guilty of a misdemeanor, and, upon conviction, be fined not less than twenty-five, nor exceeding one hundred dollars, and, in default of payment, be imprisoned not less than thirty, nor exceeding ninety days, at the discretion of the court.

ARTICLE XIII.

ATTACHMENTS.

SEC. 121. That it shall be lawful, whenever any person shall have a claim or debt against another, for such person to go before any of the judges or clerks, and make oath that he has such claim, or debt, and that he either has commenced suit upon the same, or that he is about to commence suit; also to make oath that he is apprehensive that the defendant is about to abscond, or that he has good reasons to apprehend that the defendant may dispose of the property claimed, or liable to satisfy such debt, so as to place it beyond the reach of law; and it shall be the duty of the judge or clerk, before whom such oath, in any case, may be made, to issue an attachment forthwith, to be placed in the hands of any lawful officer, whose duty it shall be to attach the property of

defendant, liable to satisfy the debt, as will satisfy the demand, and the same to safely keep, until authorized by law or the order or judgment of the court having jurisdiction of the suit,—having reference to such property.—to release the same, or serve an execution thereon; unless the debtor, or defendant, or person out of whose possession the property shall have been sued, shall secure the claim or debt, by giving bond with sufficient security, personal or collateral, satisfactory to the sheriff, either for the forthcoming of the property at the final termination of the suit, or the payment of the alleged debt, in case the same be adjudged due; in which event, the sheriff shall release the property attached to the defendant to use and take charge of during the pending of the suit.

SEC. 122. All property under attachment shall be considered in the legal possession of the sheriff holding such property under attachment: and any person taking, secreting, making use or disposing of such property while so attached, without the permission of the sheriff, shall be deemed guilty of theft, and be punished accordingly.

SEC. 123. Should the defendant give bond, as above provided, and the plaintiff make complaint to the sheriff that the security upon such bond is insufficient, by which insufficiency the plaintiff should lose his remedy by attachment, or any part thereof, in such case, the sheriff shall be personally responsible to the plaintiff to the amount of the value of the property attached and not forthcoming, according to the terms of

the bond; and the sheriff, after satisfying the plaintiff as in this section provided, may have recourse to make himself secure against the principal and sureties of the bond, to the amount paid by him to the plaintiff.

SEC. 124. Any attachment, issued before the issuance of a summons in the suit, shall be annulled, and be of no effect or force, and the property, thereupon attached, shall be returned to the person out of whose possession it shall be sued, unless suit shall be instituted by the claimant or creditor within five days after the day upon which the attachment is issued, and notice of such failure to institute suit being received by the officer holding such attachment. And any person applying for and obtaining an attachment and not instituting suit within five days thereafter, as provided, shall be responsible to the amount of any damage done by the service of such attachment, to be recovered upon suit by the party injured.

SEC. 125 Whenever the property of any person shall be attached or levied upon, to secure the payment of the debt of another, the owner of such property, so attached or levied upon, shall have the right to go before the judge or clerk, where such attachment or execution may have issued, and establish his right to the same, after due notice shall have been given to the plaintiff in the case wherein the property in question has been made subject to attachment or levy, of the time, place, and object of such investigation. Such proof shall be taken in writing and filed in the office of the district clerk, and shall show that the property in

question does belong of right to claimant, and did rightfully belong to the claimant, or to the estate, or person, of whom, or which, the claimant is lawfully in charge, before the service of such attachment or execution; and whenever such proof is made to the satisfaction of the judge or clerk, it shall be his duty to give an order forthwith to the officer, having such property under attachment or levy, to deliver it to the owner thereof.

SEC. 126. No property belonging exclusively to the wife shall be taken to secure the payment of the debts of the husband, without her consent, nor shall any property separately belonging to the husband, be taken to pay the debts of his wife, without the consent of the husband, and property, belonging separately to either, attached or levied upon to secure the payment of the debts of the other, may be released as in other cases; *provided*, that where man and wife are living together and hold property jointly, such property shall be subject to the payment of debts contracted by either while so living together. And *provided, further*, that no property, acquired by a man and his wife while living together, shall be made the separate and individual property of the wife by transfer of the title, or any part thereof, to her from the husband, except a copy of such transfer be first filed in the office of the district clerk of the district where the parties reside.

SEC. 127. Any person who shall fraudulently, collusively, and wrongfully, set up a claim to the ownership of any property under attachment or

execution, with a view to release the same as provided above; or who shall willfully claim such property under and by virtue of any title, except lawful conveyance to him made for good or valuable consideration prior to the seizure of such property, then under attachment or execution, by authority of either writ, through and by which false and fraudulent claims, such property shall be released, shall be deemed guilty of a criminal misdemeanor, and, upon conviction, shall be fined in a sum double the amount of the value of the property so fraudulently claimed and released from attachment or execution, and shall also be imprisoned not less than three months, nor more than one year, at the discretion of the court.

ARTICLE XIV.

POSSESSION OF PROPERTY.

SEC. 128. Any person, having peaceable possession of private property obtained through lawful means, and claiming a limited or absolute right in the same, shall be held, in law, to have a prior right of possession thereto against all persons obtaining possession thereafter, until the right of such person shall expire, or be by him transferred to another for good or valuable consideration, or until his right shall be disputed and invalidated by due course of law. And any person, having a prior right of possession of any property to any other person, and the property being detained by the latter from the former without his voluntary consent, may recover such property upon suit for pos-

session merely, without regard to, or investigation had by the court of, other or higher title, either in plaintiff or defendant of such suit. But such person as plaintiff, may submit to the court the general question of right, involving the right of possession of the property, or be awarded possession of such property merely, as provided above, with the right accruing of answering as defendant in all suits involving the right, title, and interest of the parties to such property.

SEC. 129. Any lessee, borrower, agent or person, who may obtain temporary possession of any private property, for a definite time, or at will, by lawful contract, shall be estopped by such contract from claiming or defending continued possession of such property, through a title adverse to the terms of such contract, or through any right derived from a third party; but the court shall compel a restoration of such property, according to contract, with such actual and exemplary damages claimed, as may be just.

SEC. 130. Suits for the recovery of property shall be instituted against the person having the property in legal possession and control; but in any suit by a third party against any lessee or agent of another, holding property of another in his possession, in which suit the right of the principal in such property is mainly involved, such fact being brought to the notice of the court, at the calling of the case, by disclaimer of ownership on part of defendant, the court shall order the name of the principal to be placed upon the record as

party defendant in that suit, and judgment shall be rendered accordingly.

SEC. 131. Property shall be held to be in the legal possession and control of any person when in his actual possession, or in the actual possession of any person in the service or employment of such defendant temporarily to use or take charge thereof. When property consists of stock, the possession thereof shall be determined as provided by law.

ARTICLE XV.

GENERAL RULES.

SEC. 132. Each court shall have the right to make and enforce such regulations for the orderly transaction of business and the preservation of order in and about the court, during its sessions, as may be deemed necessary and proper, and which shall not be in violation of law; and for every contempt or disrespect offered, or obstruction of business by the improper conduct of individuals, the court may impose a fine on any such person so offending of not less than one, nor more than fifty dollars, at its discretion.

SEC. 133. When any court is organized at any regular term, the sheriff shall, at the bidding of the judge, call the parties to each case, in the order in which the cases shall be entered upon the docket, three several times, at intervals of not less than one hour between each calling; and all cases, not previously disposed of, shall be finally disposed of for that term

at the third calling, unless both parties consent otherwise; *provided*, that the parties to any suit, answering to their names at the first or second calling, shall then have the right to come to trial, if they so prefer.

SEC. 134. If at the third calling of a case, at any term, the plaintiff does not answer either in person or by attorney, no trial of that suit shall be had, but the suit shall be dismissed at plaintiff's costs.

SEC. 135. If at the third calling of any case, at any term, the defendant does not appear in person or by attorney, the court shall proceed to ascertain if the summons in the case has been duly served according to law, and if so, the absence of the defendant shall be taken as confession of judgment, and the court may, upon motion of plaintiff, render final judgment in such case accordingly.

SEC. 136. Motions to abate or dismiss a suit shall be made at the earliest practicable moment after the alleged cause shall exist therefor, and if not then made, the right of defendant to make such motion shall be considered waived.

SEC. 137. When a civil case is submitted to the court, upon a statement of facts by the parties, to which they both agree, or when a discovery of fact is not put in trial, but the parties differ only in respect of the meaning and construction of the law thereupon, it shall be the duty of the judge to interpret and apply the law for a settlement of the dispute between the parties, and

to render a decision accordingly, which decision may be appealed from, as in other cases.

SEC. 138. No suit shall be dismissed from the docket, or abated, on account of any formal defect or omission in the proceedings thereof, when such defect or omission is not the fault of the plaintiff, and the defendant is not injured thereby, or his rights jeopardized. But the court may remedy any such defect or omission by ordering such amendment as shall agree with the facts of the case.

SEC. 139. No cause shall be continued to the term following, except upon the oath of the party making the motion to continue that evidence material to the case is absent which he has used all lawful means and endeavors to obtain, and which a continuance will probably enable him to obtain. Each party may continue once, but no case shall be continued a third time, except by consent of parties.

SEC. 140. The following general rules of practice for the finding of issue shall be applied, as far as practicable, by the several circuit and district judges in the trial of civil suits:

SEC. 141. When the parties have pronounced themselves ready for trial, the allegations contained in the summons shall be read to the defendant, and the said defendant shall be required to admit or to deny the allegations in the order in which they are alleged. The answer of defendant to each allegation shall be distinctly recorded by the clerk in the proceedings, and no testimony shall be allowed in regard to any allegation

admitted, but such allegation shall be taken as proven, and the point at issue between the parties, shall be the facts alleged and denied.

SEC. 142. Any defendant may admit the allegations of plaintiff, in whole or in part, and set up his defense by the affirmation of other facts upon which he may rely to defeat plaintiff's claim, or any part thereof, if plaintiff's allegations are admitted. In which case the clerk shall record the facts admitted by defendant, and the plaintiff shall then be required to admit or deny the facts alleged by defendant, and the clerk shall record his answer in the proceedings of the case, and those admitted shall be taken as proven, and testimony shall be introduced only as to those denied.

SEC. 143. Should the plaintiff not choose to deny the allegations of defendant, and should desire to answer and avoid the same by another statement of facts on his side, supposed by him to be sufficient in law to avoid the defense set up, he may do so, and the defendant shall be required to admit or deny as before, and all matters denied shall be deemed and held as the issue between the parties, and those not denied, on one side or the other, shall be taken as proven, and testimony shall be introduced accordingly.

SEC. 144. Either party to a suit may, according to the principle involed in the three preceding rules, be permitted to admit the allegations of the other, in whole or in part, in the order in which the parties shall be required to admit or deny, and to allege new matter or facts in avoidance of the facts alleged by the

opposite party, and in support of, or against, the original demand; and when new matter is alleged, the opposite party shall be required to admit or deny as above; *provided*, that the facts, so alleged by either party, shall constitute a good cause in law of action or defense, as regards the original demand set forth in the summons. And if, upon demurrer by either party to the allegations of the other, it shall appear to the court that such allegations, if true, do not constitute good grounds in law for supporting or defending the claim demanded, no testimony shall be taken in the case, but the facts, admitted by either or both sides, shall constitute the evidence in the case, and the court shall proceed to give judgment, as required in the first section of this act. If the allegations contained in the summons are demurred to as insufficient in law, and the court approve such demurrer, the case shall be dismissed at plaintiff's costs.

SEC. 145. It shall be the duty of each circuit judge, to impartially inform, instruct and assist the parties to a suit in conforming to the rules above prescribed, when he shall deem it necessary for the due attainment of the object thereof, to-wit: the more speedy and certain discovery of the point of difference between the parties, the exclusion of irrelevant and immaterial testimony, and the more accurate and satisfactory dispensation of justice.

SEC. 146. When a cause is ready for hearing, and the issue defined as distinctly as practicable by the allegations and denials of the parties, as provided, the

party, holding the affirmative, or upon whom the burden of proof shall rest, shall be allowed to introduce his testimony in support of his allegations; and no testimony shall be admitted from such party by the court, except such as may be admissible to prove such allegations, according to the rules governing the admission of evidence that may be recognized by law, and by the courts. When the party, first presenting testimony, shall have closed, the opposite party shall be allowed the same right, with the same restrictions, to introduce pertinent and competent evidence in justification of his denial; *provided*, that such opposite party shall have the right to introduce evidence affecting the credibility of the witnesses and the testimony of the other side; which right shall be likewise allowed to the first party after the testimony in chief, on part of the negative or defense, shall have been closed.

SEC. 147. After the testimony in chief has been submitted by both parties, in affirmation or denial of the facts alleged respectively, the court may, upon motion, allow either party to introduce other testimony as to the credibility of the opposite witnesses or testimony, or in rebuttal of new matter material to the issue, lawfully brought to the consideration of the court in the course of such examination in chief.

SEC. 148. No suit shall be brought, nor any off-set to any suit be presented, upon a sworn account, except the articles or work, matter of such account, is usually matter of credit, and record thereof has been kept, with the date of each transaction by the creditor, as a neces-

sary way of doing business. And all sworn accounts or off-sets, submitted as evidence by the plaintiff or defendant, shall be copies from the original record or account, with the items and date of each item as charged, and the account book or record, from which the sworn account purports to be a copy, shall be produced when called for by the opposite party, under the rule as provided in section 146, or may be, if not demanded, voluntarily submitted as corroborative evidence of the sworn account. And the court shall give judgment in reference to any sworn account submitted by plaintiff or defendant, as the weight of evidence shall appear to authorize.

SEC. 149. In all suits upon sworn accounts, the original record of the account having been produced, the opposite party may introduce and examine, as a witness, the party submitting a sworn account, in reference thereto.

AN ACT RELATING TO ELECTIONS.

- ART. I. Relating to Elections.
- II. Manner of Contesting Elections.
- III. Frauds at Elections.

ARTICLE I.

RELATING TO ELECTIONS.

SEC. 1. Elections for Principal Chief, Assistant Principal Chief, members of the National Council, and all other officers elected by the people, shall be held on the first Monday of August.

SEC. 2. Every male citizen of the Nation, aged eighteen years, who shall have been a "*bona fide*" resident of the district, wherein he proposes to vote, for six months immediately preceding the election, and who shall not have been, after the passage of this act, convicted of any felony, unless restored to such right by pardon or act of the National Council, or who shall not at the time be undergoing punishment in prison for any crime or misdemeanor, and who shall not be insane, or "*non compos mentis*," shall be deemed a qualified elector.

SEC. 3. The clerk of each district in which an election is to be held shall promptly, and as generally as may be, promulgate the writ of election, or proclamation of the Principal Chief, for the information of the

qualified electors of his district. He shall cause to be published, by posting up in some conspicuous place at each and every precinct in his district, the names of all persons put in nomination for office ten days prior to the election. He shall also appoint and notify, in writing, two clerks and two superintendents of election for each precinct, one of whom shall be able to speak both Cherokee and English, selecting them as equally as may be from the supporters of the opposing candidates.

SEC. 4. He shall provide and furnish the clerks of each precinct in his district, the necessary blank rolls and envelopes to be used in conducting the election.

SEC. 5. The rolls shall be headed, "Returns of election held on the — day of —, at — precinct, — district, Cherokee Nation;" and shall state the offices to be filled, and the names of the candidates to each, and shall be ruled with the necessary spaces to record the names of the voters, and the votes each candidate may receive. There shall be thus prepared and furnished, one roll for Principal and Assistant Principal Chiefs and members of the National Council, and one for sheriffs, judges, clerks, members of the General Council of the Indian Territory, and all other officers that may be elected by the popular vote. Before delivering the envelopes and rolls to the clerks of the election the clerk of the district shall affix his seal of office to each, and no others shall be used unless unavoidable; and when others are so used, the

superintendents and clerks, shall, on the roll, state the reasons therefor.

SEC. 6. In case of the death, absence, or inability to act, of any superintendent or clerk of election, at any precinct, the legal voters present may choose, "*viva voce*," from qualified voters present, such number as may be necessary to fill the vacancy; but no person shall be appointed clerk or superintendent who is a candidate for office at such election, or who is not a qualified voter of the district.

SEC. 7. Before entering upon the discharge of their duties each of the superintendents and clerks shall be required to take the following oath (or affirmation,) to-wit:

"You, and each of you, do solemnly swear (or affirm,) that you will well and truly conduct the election; that you will not in any manner, while in the discharge of your duty, attempt to influence or bias the voting of any voter, or suffer the same to be done by others in your presence; but that you will in all things faithfully conform to the requirements of the law governing elections, to the best of your ability, without favor, partiality or fraud. So help you God."

Said oath or affirmation may be administered by any person authorized by law to administer oaths, or by any of the superintendents or clerks of the election.

SEC. 8. After the superintendents shall have been qualified, they shall appoint three suitable and discreet persons to act as supervisors, to be selected as equally as possible from among the supporters of the opposing candidates. The supervisors shall, before entering upon the discharge of their duty, take the following oath,

which may be administered by either of the clerks or superintendents of election, to-wit:

"You, and each of you, do solemnly swear, that you will faithfully perform all the duties of supervisors during the present election; that you will not in any manner, while in the discharge of your duty, attempt to influence or bias the voting of any voter, nor suffer the same to be done by others; but will in all things conform to, and, to the best of your ability, require others to conform to, all the requirements of the law governing elections, without partiality, favor, or fraud. So help you God.

SEC. 9. Before the opening of the polls, the supervisors shall measure and mark off a space of fifty feet, encircling the polls, within which no person, except the officers of the election, shall be allowed to come but for the purpose of voting, and then but one at a time. Each voter, after casting his vote, shall promptly retire beyond the prescribed limit.

SEC. 10. The supervisors shall have full authority to maintain and preserve the peace during any election, counting of the votes, and making up the returns thereof; and for that purpose, they may, if necessary, summon any number of persons present, to aid and assist in quelling any riotous or disorderly conduct, or to prevent any threatened breach of the peace. They shall suppress the sale of, or indulgence in, intoxicating drinks, by wasting such liquors, and may arrest, and remove from the precinct, any drunken or disorderly persons, or hold, and deliver to the custody of the sheriff for prosecution, any person guilty of a criminal violation of law.

SEC. 11. The polls shall be opened between the hours of seven and eight o'clock in the forenoon, and kept open until sunset of the same day; but a recess of one hour may be taken at noon, the superintendents and clerks remaining in company and in possession of the rolls. On the opening of the polls, one of the superintendents shall proclaim the same in an audible voice to the voters present, and state what offices are to be filled. No superintendent, supervisor, or clerk of election shall be allowed to influence or bias, or attempt to influence or bias, the voting of any voter, by word, deed, or in other manner, while in the discharge of his duty, nor to delay, or prevent, the casting thereof, except as hereinafter provided for the challenging and determining the qualifications of voters.

SEC. 12. It shall be the duty of the superintendents, clerks, and supervisors of elections, to challenge the vote of any person, whom they know, or suspect, to be not a legally qualified voter. For the determining of the legality of a challenged vote, the superintendents shall receive the statement of the voter, on oath, and such other sworn evidence as may be there and then available, upon which they shall determine the question of his right to vote, and for this purpose any clerk or superintendent may administer oaths.

SEC. 13. On opening of the polls, one of the superintendents or clerks shall expose for the inspection of the voters present the rolls then to be used, before any names of the voters are recorded thereon. And if necessary to lengthen any roll, for the accommodation

of voters, it shall be done publicly, by attaching to the main roll the necessary blanks, before any names are recorded thereon; and the superintendents and clerks shall state such fact in their certificate.

SEC. 14. One of the clerks shall record the name of each voter as he presents himself to vote, and place his vote to the candidate, or candidates, designated by such voter; the other clerk shall carefully observe that no mistakes are made in the registry of votes. Each voter shall state, "*viva voce*," the name of each candidate for whom he desires to vote. Either of the clerks, when required by a voter, shall distinctly name the candidates for each office, stating the number to be elected, beginning with the first, then in like manner proceeding to the next, and ending with the last office on the roll.

SEC. 15. There shall be kept a roll of every person whose vote is challenged, and permitted to vote, also, a roll of every person challenged and not permitted to vote, showing for whom such person intended to vote; and said rolls shall be certified to, and signed, by the superintendents and clerks in like manner as the regular poll list, and shall be transmitted with the returns.

SEC. 16. As soon as the polls are finally closed, and before leaving the room or place of holding election, the superintendents and clerks shall proceed to sum up the whole number of votes cast at the precinct and the number for each candidate, and shall continue without adjournment, until completed. The whole number of votes cast, as well as the number for each candidate, shall be stated at the foot of the roll,

after which, they shall certify to the correctness of the rolls, sign, envelope, seal, and address the same to the clerk of the district, and mark "election returns of — precinct, — district." The counting of the votes shall be done publicly, in the presence of any person desiring to witness the same, and the result shall be publicly announced by one of the superintendents, who shall state the whole number of votes polled, and the number received by each candidate. The returns shall be taken charge of by the superintendents who, for that purpose, shall remain together.

SEC. 17. On the following (next) day after election the superintendents shall assemble at the regular place of holding court in each district, and deliver the returns to the clerk of the district, who shall be present to receive the same, and who shall, in the presence of the superintendents so assembled, proceed to open and count the vote of each precinct, and issue a written certificate of election to each candidate, to the number requisite for each office, who shall have received the highest number of votes. The returns shall again be carefully enveloped and sealed up in a single package, and marked "election returns for — district, Cherokee Nation;" and be placed by the clerk in the hands of the sheriff or his deputy on the same day that they are received. And the sheriff, or his deputy, shall, within six days after such returns are to him delivered, deliver the same in person to the Principal Chief, or his secretary, at the seat of government.

SEC. 18. In any election in which there shall be .

no choice, in consequence of two or more competing candidates for a particular office receiving the same number of votes, the Principal Chief, upon receiving notification of the fact from any authentic source, shall immediately issue a writ authorizing the holding of another election in the district in which such tie may have occurred; and it is made the especial duty of the clerk of the district, at the time the returns are transmitted, to promptly notify the Principal Chief of any tie that may occur in his district. And any clerk, failing or refusing to report such tie, shall be suspended from office by the Principal Chief. Any number of candidates may compete for the office in any such election.

SEC. 19. The returns for Principal and Assistant Principal Chiefs and members of the National Council shall be made, through the Principal Chief, to the National Council, superscribed "to the President of the Senate," and marked "election returns of — district, Cherokee Nation."

SEC. 20. The returns for members of the General Council of the Indian Territory and for officers requiring commissions shall be addressed "to the Principal Chief," and marked, "election returns of — district, Cherokee Nation." The Principal Chief shall be authorized to open the returns addressed to him, and, no legal objection appearing, he shall commission the candidates who appear to be duly elected; but such commission shall not be a bar to action by any person who may wish to contest such election.

ARTICLE II.

MANNER OF CONTESTING ELECTIONS.

SEC. 21. Every person, wishing to contest the right of another to a seat in either branch of the National Council, shall, within forty days after holding of the election, make oath before the clerk of the district wherein the contest arises that he has good and sufficient cause to contest the same: and the clerk shall thereupon issue a written notification to the person holding the certificate of election, which notification shall distinctly set forth all the grounds for such contest, and be, within ten days after its issuance, served by the sheriff upon the person holding the certificate of election, either personally, or by leaving a copy thereof at his usual place of residence, and be returned within five days after its service by the sheriff, with his certificate of service thereon stating the manner thereof, to the party obtaining the same, who shall transmit it, with his evidence, to the presiding officer of the branch of the National Council wherein the contest is to be determined.

SEC. 22. After the service of the notification, either party may proceed to take testimony before the clerk upon the issues set forth in such notification, and the clerk shall afford to either party every facility to mature testimony, and the testimony so taken shall be by the clerk certified to, enveloped, sealed up, and addressed to the presiding officer of the branch of the National Council wherein the contest is to be deter-

mined, with the names of the parties, and the nature of the case, endorsed upon the envelope. And the testimony thus taken, endorsed, and directed, shall be delivered to the respective parties interested, each holding the testimony taken in his own interest; and the testimony may be so taken from time to time, by either party, until the Monday immediately preceding the meeting of the National Council. No other testimony shall be received, or accepted, from either party in the determination of such contest, except the official returns and certificate of election; *provided, however*, in elections held during the sessions of the National Council, or so short a time previous thereto as to preclude a fair and full investigation as herein provided for, contests may be brought and prosecuted directly before either house of the National Council, under such rules as the house may prescribe.

SEC. 23. Every contestant shall, upon the assembling of the members elect, and before any of them are qualified, declare verbally, or in writing, in person, by counsel, or by a member whose seat is not contested, his purpose to contest a certain seat, and that he has complied with all the requirements of law, and is ready to present his case, whereupon all the testimony, taken as hereinbefore provided, shall be submitted.

SEC. 24. No person, whose right to a seat in either branch of the National Council is contested, shall be sworn in, or be permitted to participate in any of the business proceedings of the house while the contest is

pending. He may, however, enjoy the freedom of the house on his good behavior, pending the contest.

SEC. 25. As soon as a permanent organization is effected, and before proceeding with any other business, the presiding officer of the house wherein the contest is pending shall cause all the testimony in the case to be read; and the house shall at once proceed to examine and determine such case. A majority of the members present, being a quorum of the whole, as required by the constitution to transact business, shall be necessary to admit to a seat, either the contestant or the person holding the certificate of election. A tie in either branch of the National Council in a contested election case shall be deemed a tie of the voters of the district wherein the contest originated, and shall be by the presiding officer reported to the Principal Chief, who shall issue a writ of election as provided for by law.

SEC. 26. The election of Principal Chief may be contested by petition to the National Council, signed by at least one hundred electors, setting forth the grounds on which the said election is contested; and, thereupon, the two branches shall meet in joint session, and elect a committee, to consist of two members of the senate and three of the council, who shall take into consideration said petition, and shall have power to compel the attendance of witnesses and the production of papers; and, when said committee shall have reported to their respective houses, the two houses shall again meet in joint session to consider said report; and, if it shall appear that the Principal Chief obtained his election by

bribery, fraud, or tumult, or other illegal or improper means, his office shall be declared vacant, and the Acting Principal Chief shall issue a writ of election within five days thereafter, directing the holding of an election to fill such vacancy. Not less than thirty, nor exceeding forty, days' notice shall be given of said election. And whenever the office of Principal Chief shall be declared vacant, as herein provided, the National Council shall thereupon adjourn; and shall be again convened by the Acting Principal Chief, within ten days after the holding of such special election, to receive and count the votes thereof, and to instal the Principal Chief elect, and to transact such other business as may be submitted for their action.

SEC. 27. The election of Assistant Principal Chief may be contested, and the contest shall be conducted in like manner as provided for in contesting the election of Principal Chief.

SEC. 28. Any person desiring to contest the election of sheriff, clerk, or other officer elected by the people and commissioned by the Principal Chief, shall be required to obtain a written notification, upon oath, from the clerk of the district wherein the party holding the certificate of election resides, which notification shall be obtained within twenty days after such election, and shall set forth all the grounds of contest, and be served by the sheriff in like manner as provided for contesting elections of members of the National Council. And the parties may, in like manner, take testimony for twenty days after the service of the notification;

after which time, and within ten days, each party shall deliver the testimony, so taken in his own interest, to the chief justice of the supreme court, who shall, as early as practicable, convene and hold a special session of the court for the hearing and determining such contest. The court shall be confined to the testimony so presented, and shall receive none other from either party, excepting the official returns, certificate of election, or commission of defendant. And the court shall have power to award the office to the contestant, or declare the same vacant, as the facts and circumstances of the case may require. A certified copy of the decision of the court shall be by the chief justice transmitted to the Principal Chief, who shall commission the person declared duly elected, or order another election, as the case may require; *provided, however*, if the election of the clerk of the district is contested, and he be the incumbent, the Principal Chief shall, upon the written application—setting forth the reasons therefor—of any person wishing to contest such election, appoint and commission a special clerk for that purpose.

SEC. 29. Elections for members of the National Council, and all officers elected by the people, and requiring to be commissioned, may be vitiated and declared void, wholly or in part, for the following reasons, to-wit:

Failure of the superintendents and clerks, or any of them, to qualify; failure of the clerks to record the names of votes or voters; failure of the superintendents and clerks, at the close of the election, to cast and foot

up the registry of voters; failure by them, or any of them, to properly certify to, seal, and transmit the returns; failure of the clerk of the district to properly envelope, seal up, endorse, and transmit the returns; failure of the sheriff to properly transmit or deliver the returns in like condition as received, as by law directed; or any such election may wholly or in part be vitiated and declared void upon sufficient proof of any other facts or circumstances that would destroy the competency of such returns as evidence.

SEC. 30. And whenever it is made to appear that the holder of the certificate obtained his election by bribery, treats, fraud, intimidation, or collusion with or by the officers conducting the election, the contestant, or person having the next highest vote, shall be declared duly elected.

ARTICLE III.

FRAUDS AT ELECTIONS.

SEC. 31. Every person, not having the qualification of a voter, who shall fraudulently vote, or attempt to vote, at any election, or who shall vote, or attempt to vote, more than once for the same candidate, at any election, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, be fined not less than one hundred dollars, and be imprisoned for any time less than one year and exceeding six months, and be forever disqualified from voting.

SEC. 32. Every person who shall, by bribery or treats, attempt to influence any voter in giving his vote, or shall use any threats to procure any voter to vote contrary to the inclination of such voter, or to deter him from giving his vote, shall be deemed guilty of a misdemeanor, and, upon conviction, be fined in a sum not less than one hundred, and not more than five hundred dollars, or be imprisoned for any time less than one year, and exceeding three months, or by both fine and imprisonment, at the discretion of the court.

SEC. 33. Every superintendent of election, who shall willfully and knowingly receive or sanction the reception of the vote of any person not having the qualification of a voter, and every superintendent, clerk, or supervisor of election, who shall be guilty of a wilful neglect of duty, or of any corrupt action in the execution of the same, shall be deemed guilty of a misdemeanor, and, upon conviction, be fined in a sum of not less than one hundred dollars, nor more than one thousand dollars, and be imprisoned for any term less than one year, and exceeding three months.

SEC. 34. Every person who shall, by violence, threats, or riotous conduct, attempt to disturb or break up any election, or unlawfully prevent the free exercise of the elective franchise, or shall assault, or attempt to intimidate any candidate for office, at the time and place of holding election, shall be deemed guilty of a misdemeanor, and, upon conviction, be imprisoned for any term less than twelve months, and exceeding six months, and be fined not less than one hundred dollars,

nor more than five hundred dollars; *provided*, if the offense thus committed would, under other circumstances, be a felony, punished by imprisonment, the offender shall be imprisoned for any term not less than the longest period attaching to such felony, and *provided, further*, if such offense be committed by three or more persons, armed with any deadly or dangerous weapon, they shall be deemed guilty of treason, and, upon conviction, suffer death by hanging.

SEC. 35. Any person, who shall fraudulently alter, mutilate, destroy, or unlawfully open, after being sealed up, any returns of election, shall be deemed guilty of a felony, and, upon conviction, be imprisoned for not less than one year, nor exceeding five years.

CHAPTER IX.

AN ACT RELATING TO ADMINISTRATIONS.

ART. I. Letters of Administration, Executor and Guardianship.	ART. III. Relating to Wills.
II. Relating to Minors.	IV. Descent of property.

ARTICLE I.

LETTERS OF ADMINISTRATION, EXECUTOR AND GUARDIANSHIP.

SEC. 1. The power of granting letters of administration upon estates of intestates, letters of executorship, and letters of guardianship for minors and other persons, for whom the appointment of guardians may be provided for by law, shall be vested in the judge of the district court of the district wherein such intestate, testator, minor or other person may have, or may have had, an usual place of residence. And the judge shall be authorized and required, when necessary, to hold a special term of his court, at the usual place of holding court, for the purpose of hearing and determining the claims of contestants for administration, executor or guardianship, and shall notify all the parties in interest, of the time and purpose of holding such court, and shall determine the issue, as shall be most conducive to the interest of the parties, and conformable to the provisions of law.

SEC. 2. "Whenever any guardian of minor, or orphan children shall move without the limits of the Cherokee Nation, all his or her rights and authority, as such guardian, shall cease; and the judge of the District, wherein such guardian held the appointment, shall, upon the information that such guardian has moved beyond the limits of this Nation, immediately appoint some other competent and responsible person to act as guardian in the place of the guardian so disqualified.

SEC. 3. None of the rights of any minor or orphan shall be impaired, in any estate or effects that such minor or orphan may be justly entitled to, by the removal of any guardian without the limits of this Nation." (December 5th, 1877.)

SEC. 4. In granting letters of administration, executorship, or guardianship, the following order shall be observed, to-wit: 1st. In granting letters of executorship, the persons, if any, named in the will, shall be preferred. 2d. In granting letters of guardianship or letters of executorship upon estates of testators, in whose wills no executors are named, and letters of administration upon estates of intestates, the father or husband first, and mother or wife next, shall be preferred. 3d. Such person as may be selected by the distributees, or a majority of them, and recommended by them in writing to the judge, shall be preferred; and, in such cases, the interests of minors, and such others as require guardianship, shall be represented by guardians. 4th. The judge may select from among those who stand in the same degree of relationship, by

blood, to the deceased, or to such minor or other person, such person as in his judgment is most competent to discharge the duties required of him. 5th. If no person, entitled as above to administer, should apply for letters within sixty days after the death of any person, administration shall be granted to any creditor, or other suitable person making application therefor; no person applying as above, the judge shall appoint some suitable and competent person to take charge of the estate and settle up the same according to law; *provided*, no person, being a minor, or of unsound mind, or who has been convicted of felony, or who may be undergoing imprisonment, shall be appointed administrator, executor or guardian. And, *provided, further*, that if any person in the foregoing orders shall be by law incapacitated, or shall fail to give bond, as required by law, the person entitled in the next order following shall be preferred.

SEC. 5. Every administrator, executor, or guardian, when obtaining letters, shall file with the judge, granting such letters, a temporary bond, with surety to his satisfaction, given according to law, in a sum double the probable amount of the property to come into his hands by virtue of his letters, and shall be required then to take an oath, a certificate of which shall be endorsed upon the letters by the judge, to render a full and complete schedule of all the property, and to faithfully conform to all the requirements of law; and the judge shall thereupon appoint three suitable and competent persons, whose duty it shall be to appraise and

make out a schedule of the property of such estate, minor or other person, which schedule shall give, in detail, the description and valuation of such property, be certified to on oath, and be signed by the appraisers, and be, by the clerk of the district, placed upon record, as required by law.

SEC. 6. The failure of any administrator, executor, or guardian to file a schedule of the property in his possession by virtue of his letters, with a permanent bond in a sum double the amount of the property, with surety, as required by law, when required by the judge so to do, and within thirty days after the granting of his letters, shall be sufficient cause for the revocation of the same; and when, by the death of any surety, or his removal from the Nation, or by his subsequent insolvency, any bond shall, in the opinion of the judge, be insufficient, he shall require other good and sufficient surety; and, upon failure of any administrator, executor or guardian to give such additional surety within the time required by the judge, his letters shall be revoked. No administrator, executor, or guardian shall be allowed to sell or dispose of an estate or ward, until he has filed a permanent bond, and rendered a schedule of the property.

SEC. 7. It shall be the duty of every administrator, executor and guardian, at least semi-annually, at the regular terms of the district court, and oftener if required by the judge, to report to him, under oath, an account of his administration, executorship or guardianship, which account shall show the disbursements of the

administrator, executor or guardian, every item of which, and the amount thereof, shall be distinctly stated; it shall show the receipts of money or property, and from what source the increase or decrease of property, and cause of such increase or decrease, if any; and, upon failure of any administrator, executor, or guardian so to do, his letters shall be revoked, unless a reason satisfactory to the judge be given for such failure.

SEC. 8. Letters of administration, executorship, or guardianship, shall not be revoked unless for good and sufficient cause; and, whenever application is made by any person for the revocation of such letters, it shall be done in writing to the judge of the court granting the letters, and shall, as concisely as possible, set forth the grounds or reasons of complaint, and the administrator, executor or guardian, shall be notified thereof, and be required to appear and answer thereto, at such time and place as the judge may appoint. And the judge shall hear and determine the complaint upon the statement of the parties, and such other evidence as may be submitted by either, in such manner as the right and justice of the cause may appear unto him. And if the cause be deemed sufficient, he shall remove such administrator, executor, or guardian, and immediately appoint another; but all the lawful acts of any administrator, executor or guardian, removed by any judge, shall be valid and binding upon his successor; *provided*, that whenever letters of administration, executorship or guardianship, are revoked for any cause, not expressly

permitted by law, the action of the judge revoking such letters may be inquired into, and confirmed, or set aside by any court in a suit at law brought before it, and whenever such action of the judge is a subject of controversy.

SEC. 9. It shall be the duty of every administrator or executor, within ten days after filing his permanent bond, to give written notice of his appointment by posting the same, in Cherokee and English at the court house and two other public places in the district, or, in like manner, in the *Cherokee Advocate*, three several times, at intervals of one month, and to certify the same to the clerk, to be by him recorded. And every person having a claim against such estate shall present the same, on oath, to the administrator or executor, within six months after such public notice is given, otherwise such claim shall be void and not recoverable by law; *provided, however*, if such administrator or executor die, or be removed within the six months, such claim may be presented to the judge granting the letters, to be by him turned over to the person next appointed.

SEC. 10. Every administrator, executor, or guardian shall be required to collect all debts or claims due the estate or ward, and for this purpose, he may, as such, institute and prosecute suits at law, for their recovery; and he may, also defend suit instituted against him as such, before any of the courts of this Nation, and for this purpose he may employ counsel in such cases, wherein he is a party, *provided*, the whole amount of

fees, in any case, paid to attorneys, shall not exceed ten per cent. of the amount in controversy.

SEC. 11. Every administrator and executor shall assume all the relations of the deceased person upon whose estate he may have obtained letters, and none other. In all suits at law, instituted by or against such deceased persons, such suits shall be prosecuted or defended, in every particular, as if no demise had occurred; *provided*, that, if at the next term of the court, after the death of such person, there be no administrator or executor of his estate appointed, the judge of the court, in which such suit is there pending, shall continue the same to the term following.

SEC. 12. No debts, or claims, against any estate shall be paid, unless approved by the judge, or upon a decree of court, and not until after the expiration of the six months' notice required to be given, except the necessary funeral expenses of, and medical attendance upon, such deceased persons. After the expiration of the six months' notice, and, if the condition of the estate will permit, all the lawful demands against such estate shall be paid out of its effects liable to such payment, and if the estate be insolvent, the demands shall be paid "*pro rata*" to the creditors, and, if necessary to make such "*pro rata*," the property shall be sold at public sale, after twenty days' notice of the time and place of such sale, by posting the same in English and Cherokee at the court house and two other public places in the district, or, in like manner, in the *Cherokee Advocate* for two issues. And when the

demands against an estate are paid, as above, and as soon thereafter as the condition of the estate will allow, the residue of the property shall be distributed, according to law, to the heirs, males at twenty-one, and females at eighteen years of age; *provided, however*, if any heir shall lawfully marry before the ages hereinbefore named, such heir shall be deemed of lawful age, and be entitled to receive the share due him. The shares of minors shall be paid to their guardians, who shall be required to preserve and pay over the same to their wards, unless otherwise requiring guardianship, as provided above.

SEC. 13. The judge of the district court shall appoint to be selected as guardians for minors, guardians for idiotic, blind, and insane persons; but, before such appointment is made, he shall cause such person to be examined, by one or more physicians, as whether such cause for appointment exists or not; and, if so, he shall make the appointment upon the certificate of such physician to that effect; *provided*, if no physician is to be had to make the examination, the judge shall appoint three disinterested and discreet persons to make such examination, who shall certify to the same on oath.

SEC. 14. Guardians of minors, may, with the approval of the judge of the district court, apply to the support and education of his ward in the schools of this Nation such portion of his property as may be necessary for that purpose; and any money or property, so applied, shall be charged to such ward as so much of his share received.

SEC. 15. Every administrator, guardian, or executor, shall, on the final and satisfactory settlement of the business of the estate or ward with the judge of the district court, be entitled to eight per cent. of the value of property that may have been in his possession by virtue of his letters; *provided, however*, if any administrator, executor or guardian be removed, and such removal be sustained, he shall forfeit all of his fees.

SEC. 16. All improvements shall be exempted from the payment of debts against any estate, and in the administration of estates where there is a surviving wife or husband, or minor child or children, all the property exempted by law from execution shall likewise be exempt from the payment of debts against an estate, and shall be at once turned over to the surviving parent or guardian for use of the family.

SEC. 17. It shall be the duty of every administrator, guardian, or executor, with the approval of the judge, to sell or dispose of, for cash, or other property, all property so perishable in its nature that it cannot be preserved without material loss, or at an expense disproportionate to its worth; *provided*, such property, so sold, shall be first valued and placed upon the schedule as required by law; and the administrator, executor, or guardian, shall report the same in his next settlement, with the kind and value of property received in lieu of it.

SEC. 18. Every administrator, executor or guardian, who shall fraudulently withhold from appraisement any property belonging to an estate or ward, or every

appraiser who shall corruptly or fraudulently value such property, shall be deemed guilty of perjury, and upon conviction, shall be punished as by law provided.

SEC. 19. Every administrator, executor, guardian, or other person, who shall fraudulently and corruptly secrete, or destroy, or mutilate, any will or other instrument of writing of value, belonging to any estate or ward, shall be deemed guilty of felony, and, upon conviction, be imprisoned for not less than one, nor exceeding three years, and be fined in double the amount of damages sustained by the party injured.

ARTICLE II.

RELATING TO MINORS.

SEC. 20. Any contract whereby the title to, or possession of, property is conveyed or transferred, to which contract a minor shall be a party, shall not be lawful and is hereby forbidden, except the consent of the guardian of such minor, should there be one appointed, and if not, of the parent of such minor, be obtained previous to the making of such contract. And any adult person who shall enter into any contract, forbidden in this section, shall, for such offense, forfeit, for the benefit of the minor with whom such contract is made, twice the full value of the consideration of such contract on part of the minor, upon suit hereby authorized to be instituted by the parent or guardian.

SEC. 21. When property of any kind shall be given or granted to any minor having no guardian, such deed

of gift, or grant, shall be recorded in the office of the district clerk of the district in which the giver shall reside, with the conditions and requirements, if there be any, in reference to the grant; and no title, involved in any property conveyed or granted to a minor, shall pass to the minor during the life of the grantor except the deed shall be recorded, and then only from the date of the record thereof; *provided*, that no grant or gift of any property whatever to a minor by an adult, under the provisions of this section, shall exempt the property so granted from any liabilities to which such property would be lawfully subject had no such grant been made.

SEC. 22. The guardian shall have the control and disposal of the ward, with the advice and consent of the district judge who shall appoint him; and, for any gross neglect or mistreatment of any ward the guardian shall be removed from his trust, and shall be also held responsible upon his bond to the amount of injury inflicted, recoverable upon suit by the guardian next appointed, or by the ward upon his coming of age, or by his administrator.

SEC. 23. Whenever a minor shall die, and leave property or effects of any value in his own right, his estate shall be administered upon, appraised, and divided among heirs, as provided by law in case of the decease of an adult. The guardian of any deceased minor shall have, in all cases, the preference of administering, upon his application for letters within the time prescribed by law.

SEC. 24. No claim shall be paid by an administrator or executor of an estate, unless he shall personally know that the debt is just, or unless he shall have good and satisfactory reasons to believe that a recovery of the debt would follow a suit at law for the same. Any administrator, who shall settle doubtful claims out of the effects of an estate, shall be liable upon his bond to the estate, to the amount of the doubtful claim settled, upon suit brought by any heir or creditor.

ARTICLE III.

RELATING TO WILLS.

SEC. 28. No written will, nor any provision thereof, shall be revokable, but by the testator destroying, cancelling, or obliterating the same, or causing the same to be done in his presence, or by a subsequent will or declaration in writing, made and executed in manner set forth in the preceding section: *provided*, no will made by any person not of lawful age, unless self-dependent, and having no guardian at the time of making such will, nor by any person not of sound and disposing mind at the time of making such will, nor by any person who may be "*non compos mentes*," shall be valid.

SEC. 29. Any person interested, may, at any time within one year, by suit instituted for such purpose before the court having jurisdiction of the amount at issue, contest the validity of any will admitted to record, with proof satisfactory to the judge; and the

issue shall be made up and tried as other issues to determine whether the writing produced be the will of the testator or not, and the verdict of the court shall be final between the parties to the issue; but if no person shall appear within one year after the record of such will, it shall be valid and forever binding, saving to minors and persons "*non compos mentes*," one year to contest such will, after the removal of their disabilities; *provided*, that in case of a concealed fraud, the limitation, provided in this section, shall begin to run, at, and not before, the time when such fraud shall be, or with reasonable diligence might have been, first known or discovered.

5th. The property of intestates, who have no surviving relative to inherit as above, shall escheat to the treasury of the Nation, to be placed to the credit of the orphan fund.

We hereby further agree, that if any one of our respective citizens shall commit murder, or other crime, upon the person of any other citizen, in any place beyond the limits of our several territories, the person so offending, shall be subject to the same treatment, as if the offense had been committed within the limits of his own Nation.

SEC. 9. Any citizen of one Nation may be admitted to citizenship in any other Nation, party hereto, by consent of the proper authorities of such Nation.

SEC. 10. The use of ardent spirits being a fruitful source of crime and misfortune, we recommend its suppression within our respective limits, and agree that no citizen of one Nation shall introduce it into the territory of any other Nation, party to this compact.

ARTICLE II.

ARTICLES OF AGREEMENT WITH THE DELAWARES,

Made this 8th day of April, A. D. 1867, between the Cherokee Nation, represented by William P. Ross, Principal Chief, Riley Keys and Jesse Bushyhead, delegates, duly authorized parties of the first part, and the Delaware tribe of Indians, represented by John Connor, Principal Chief, Charles Journeycake, Assistant Chief, Isaac Journeycake and John Sarcoxie, delegates, for and on behalf of said Delaware tribe, duly authorized, witnesseth :

WHEREAS, by the 15th article of a certain treaty between the United States and the Cherokee Nation, ratified August 11, 1866, certain terms were provided, under which friendly Indians might be settled upon unoccupied lands in the Cherokee country, east of the line of 96° of west longitude, the price to be paid for such lands to be agreed on by the Indians to be thus located and the Cherokee Nation, subject to the approval of the President of the United States; *and whereas*, by a treaty between the United States and the Delaware tribe of Indians, ratified August 10th, 1866, the removal of the said Delawares to the Indian country, south of Kansas, was provided for, and in the 4th article whereof an agreement was made by the United States to sell to the Delawares a tract of land, being part of a tract the cession of which by the Cherokees to the United States was then contemplated; *and whereas*, no such cession of land was made by the

Cherokees to the United States, but, in lieu thereof, terms were provided as hereinbefore mentioned, under which friendly Indians might be settled upon their lands; *and, whereas*, a full and free conference has been held between the representatives of the Cherokees and the Delaware, in view of the treaties herein referred to, looking to a location of the Delaware upon the Cherokee lands, and their consolidation with said Cherokee Nation: Now, therefore, it is agreed between the parties hereto, subject to the approval of the President of the United States, as follows:

The Cherokees, parties of the first part, for and in consideration of certain payments, and the fulfillment of certain conditions hereinafter mentioned, agree to sell to the Delaware, for their occupancy, a quantity of land east of the line of the 96° west longitude, in the aggregate equal to 160 acres of land for each individual of the Delaware tribe who has been enrolled upon a certain register made February 18, 1867 by the Delaware agent, and on file in the office of Indian affairs, being the list of the Delaware who elect to remove to the "Indian country," to which list may be added, only with the consent of the Delaware Council, the names of such other Delaware as may, within one month after the signing of this agreement, desire to be added thereto; and the selections of the lands to be purchased by the Delaware may be made by said Delaware in any part of the Cherokee reservation east of said line of 96°, not already selected and in possession of other parties; and in case the Cherokee lands

shall hereafter be allotted among the members of said Nation, it is agreed that the aggregate amount of land herein provided for the Delawares, to include their improvements according to the legal subdivisions, when surveys are made (that is to say, 160 acres for each individual,) shall be guaranteed to each Delaware incorporated by these articles into the Cherokee Nation; nor shall the continued ownership and occupancy of said land by any Delaware so registered be interfered with in any manner whatever without his consent, but shall be subject to the same conditions and restrictions as are by the laws of the Cherokee Nation imposed upon the native citizens thereof; *provided*, that nothing herein shall confer the right to alienate, convey, or dispose of any such lands, except in accordance with the constitution and laws of said Cherokee Nation.

And the said Delawares, parties of the second part, agree that there shall be paid to the said Cherokees, from the Delaware funds, now held or hereafter received by the United States, a sum of money, equal to one dollar per acre, for the whole amount of 160 acres of land, for every individual Delaware who has already been registered upon the aforesaid list, made February 18, 1867, with the additions thereto, heretofore provided for. And the Secretary of the Interior is authorized and requested to sell any United States stocks belonging to the Delawares to procure funds necessary to pay for said lands; but, in case he shall not feel authorized, under existing treaties, to sell such bonds belonging to the Delawares, it is agreed that he

may transfer such United States bonds to the Cherokee Nation, at their market value at the date of such transfer. And the said Delawares further agree, that there shall be paid, from their funds, now and hereafter to come into possession of the United States, a sum of money, which shall sustain the same proportion to the existing Cherokee National fund, that the number of Delawares registered as above mentioned, and removing to the Indian country, sustains to the whole number of Cherokees residing in the Cherokee Nation. And, for the purpose of ascertaining such relative numbers, the registers of the Delawares herein referred to, with such additions as may be made within one month from the signing of this agreement, shall be the basis of calculation as to the Delawares; and an accurate census of the Cherokees, residing in the Cherokee Nation, shall be taken, under the laws of that Nation, within four months, and properly certified copies thereof filed in the office of Indian Affairs, which shall be the basis of calculation as to the Cherokees. And, that there may be no doubt hereafter, as to the amount to be contributed to the Cherokee National fund by the Delawares, it is hereby agreed, by the parties hereto, that the whole of the invested funds of the Cherokees, after deducting all just claims thereon, is \$678,000. And the Delawares further agree, that in calculating the total amount of said National fund, there shall be added to the said sum of \$678,000, the sum of \$1,000,000, being the estimated value of the Cherokee neutral lands in Kansas, thus making the whole Cherokee

National fund \$1,678,000, and this last mentioned sum shall be taken as the basis for calculating the amount which the Delawares are to pay into the common fund; *provided*, that, as the \$678,000 of funds now on hand, belonging to the Cherokees, is chiefly composed of stocks of different values, the Secretary of the Interior may transfer, from the Delawares to the Cherokees, a proper proportion of the stocks now owned by the Delawares, of like grade and value, which transfer shall be in part of the *pro rata* contribution herein provided for by the Delawares to the funds of the Cherokee Nation; but the balance of the *pro rata* contribution by the Delawares to said fund, shall be in cash or United States bonds, at their market value. All cash, and all proceeds of stocks, whenever the same may fall due or be sold, received by the Cherokees from the Delawares under this agreement, shall be invested and applied in accordance with the 23d article of the treaty with the Cherokees, of August 11th, 1866.

On the fulfillment by the Delawares of the foregoing stipulations, all the members of the tribe, registered as above provided, shall become members of the Cherokee Nation, with the same rights and immunities, and the same participation (and no other,) in the national funds, as native Cherokees, save as hereinbefore provided. And the children hereafter born of such Delawares so incorporated into the Cherokee Nation, shall in all respects be regarded as native Cherokees.

 DED JUNE 7TH, 1869, APPROVED BY THE
 PRESIDENT JUNE 9TH, 1869.

Articles of Agreement, made and entered into at
 Washington, D. C., this seventh day of June, A. D.
 1869, by and between H. D. Reese and William P.
 Adair, duly authorized delegates representing the Chero-
 kee Nation of Indians, having been duly appointed by
 the National Council of said Cherokees, parties of the
 first part, and Graham Rogers and Charles Tucker, duly

authorized delegates representing the Shawnee tribe of Indians, parties of the second part, witnesseth :

Whereas, it is provided by the fifteenth article of the treaty between the United States and the Cherokee Indians, concluded July 19th, 1866, that the United States may settle any civilized Indians, friendly with the Cherokees and adjacent tribes, within the Cherokee country, on unoccupied lands east of 96°, on such terms as may be agreed upon by any such tribe and the Cherokees, subject to the approval of the President of the United States, which shall be consistent with certain provisions specified in said article; and,

Whereas, the Shawnee tribe of Indians are civilized and friendly with the Cherokees and adjacent tribes, and desire to settle within the Cherokee country on unoccupied lands east of 96°:

It is therefore agreed, by the parties hereto, that such settlement may be made upon the following terms and conditions, viz :

That the sum of five thousand dollars belonging to the Shawnee tribe of Indians, and arising under the provisions of treaties between the United States and said Shawnee Indians, as follows, viz :

For permanent annuity for educational purposes, per fourth article treaty, 3d August, 1795, and third article, 10th of May, 1854, one thousand dollars;

For interest, at five per centum, on forty thousand dollars for educational purposes, per third article treaty, 10th May, 1854, two thousand dollars;

For permanent annuity, in specie, for educational purposes, per fourth article treaty, 29th September, 1817, and third article, 10th May, 1854, two thousand dollars; shall be paid annually to the Cherokee Nation of said Indians, and that the annuities and interest, as recited, and the investment or investments upon which the same are based, shall hereafter become and remain the annuities and interest and investment or investments of the Cherokee Nation of Indians, the same as they have been the annuities and interest and investments of the Shawnee tribe of Indians. And that the sum of fifty thousand dollars shall be paid to the said Cherokees, as soon as the same shall be received by the United States, for the said Shawnees, from the sale of the lands in the State of Kansas, known as the Absentee Shawnee Lands, in accordance with the resolution of congress, approved April 7th, 1869, entitled: "A resolution for the relief of settlers upon the Absentee Shawnee Lands in Kansas," and the provisions of the treaty between the United States and the Shawnee Indians, concluded May 10th, 1854, and also that the said Shawnees shall abandon their tribal organization.

And it is further agreed by the parties hereto that in consideration of the said payments and acts agreed upon, as hereinbefore stated, that the said Cherokees

will receive the said Shawnees—referring to those now in Kansas, and also to such as properly belong to said tribe who may be at present elsewhere, and including those known as the Absentee Shawnees, now residing in Indian Territory—into the country of the said Cherokees, upon unoccupied lands east of 96°, and that the said Shawnees shall be incorporated into and ever after remain a part of the Cherokee Nation, on equal terms in every respect, and with all the privileges and immunities of native citizens of said Cherokee Nation; *provided*, that all of said Shawnees who shall elect to avail themselves of the provisions of this agreement, shall register their names, and permanently locate in the Cherokee country, as herein provided, within two years from the date hereof, otherwise they shall forfeit all rights under this agreement.

In testimony whereof, the parties hereto have hereunto subscribed their names, and affixed their seals, on the day and year first above written.

BOUNDARY

OF THE

CHEROKEE NATION.

[*See Constitution Sec. 1st., Amendments to Article I.*]

TREATY OF 1833.

ART. 1. "The United States agree to possess the Cherokees, and to guarantee it to them forever, and that guarantee is hereby pledged, of seven millions of acres of land, to be bounded as follows, viz: Beginning at a point on the old western territorial line of Arkansas Territory, being twenty-five miles north from the point where the territorial line crosses Arkansas river; thence, running from said north point, south, on the said territorial line, to the place where said territorial line crosses the Verdigris river; thence, down the Verdigris river, to the Arkansas river; thence, down said Arkansas to a point where a stone is placed opposite to the east or lower bank of Grand river at its junction with the Arkansas; thence, running south, forty-four degrees west,

one mile; thence, in a straight line to a point four miles northerly from the mouth of the north fork of the Canadian; thence, along the said four mile line to the Canadian; thence, down the Canadian to the Arkansas; thence, down the Arkansas, to that point on the Arkansas where the eastern Choctaw boundary strikes said river, and running thence with the western line of Arkansas Territory as now defined, to the southwest corner of Missouri; thence, along the western Missouri line, to the land assigned the Senecas; thence, on the south line of the Senecas to Grand River; thence, up said Grand river, as far as the south line of the Osage reservation extended, if necessary; thence up and between said south Osage line, extended west if necessary, and a line drawn due west from the point of beginning, to a certain distance west, at which a line running north and south from said Osage line to said due west line, will make seven millions of acres within the whole described boundaries. In addition to the seven millions of acres of land, thus provided for and bounded, the United States further guaranty to the Cherokee Nation a perpetual outlet west, and a free and unmolested use of all the country lying west of the western boundary of said seven millions of acres, as far west as the sovereignty of the United States and their right of soil extend. Provided, however, that if the saline or salt plain, on the western prairie, shall fall within said limits prescribed for said outlet, the right is reserved to the United States to permit other tribes of red men to get salt on said plain in common with the Cherokees; and

letters patent shall be issued by the United States as soon as practicable for the land hereby guaranteed."

TREATY OF 1835.

ART. 2. "Whereas, by the treaty of May 6, 1828, and the supplementary treaty thereto, of February 14th, 1833, with the Cherokees west of the Mississippi, the United States guarantied and secured to be conveyed by patent, to the Cherokee Nation of Indians, the following tract of country; "Beginning at a point on the old western territorial line of Arkansas Territory, being twenty-five miles north from the point where the territorial line crosses Arkansas river; thence running from said north point, south on the said territorial line where the said territorial line crosses Verdigris river; thence, down said Virdigris river to the Arkansas river; thence down said Arkansas to a point where a stone is placed opposite the east or lower bank of Grand river, at its junction with the Arkansas; thence, running south forty-four degrees west one mile; thence in a straight line to a point four miles northerly from the mouth of the north fork of the Canadian; thence, along the said four mile line to the Canadian; thence, down the Canadian to the Arkansas; thence, down the Arkansas to that point on the Arkansas where the eastern Choctaw boundary strikes said river, and running thence with the western line of Arkansas Territory, as now defined, to the southwest corner of Missouri; thence, along the

western Missouri line to the land assigned the Senecas; thence, on the south line of the Senecas to Grand river; thence, up said Grand river, as far as the south line of the Osage reservation extended, if necessary; thence, up and between said south Osage line, extended west if necessary, and a line drawn due west from the point of beginning to a certain distance west, at which a line running north and south from said Osage line to said due west line, will make seven millions of acres within the whole described boundaries. In addition to the seven millions of acres of land thus provided for and bounded, the United States further guaranty to the Cherokee Nation a perpetual outlet west, and a free and unmolested use of all the country west of the western boundary of said seven millions of acres, as far west as the sovereignty of the United States and their right of soil extend.

PROVIDED, HOWEVER, That if the saline or salt plain on the western prairie shall fall within said limits prescribed for said outlet, the right is reserved to the United States to permit other tribes of red men to get salt on said plain in common with the Cherokees. And letters patent shall be issued by the United States as soon as practicable for the land hereby guaranteed,"

AND WHEREAS, it is apprehended by the Cherokees, that in the above cession there is not contained a sufficient quantity of land for the accommodation of the whole nation, on their removal west of the Mississippi, the United States, in consideration of the sum of five hundred thousand dollars, therefore hereby covenant

and agree to convey to the said Indians and their descendants, by patent, in fee simple, the following additional tract of land situated between the west line of the State of Missouri, and the Osage reservation; beginning at the southeast corner of the same, and runs north along the east line of the Osage lands fifty miles, to the northeast corner thereof; and thence, east to the west line of the State of Missouri; thence, with said line south fifty miles; thence, west to the place of beginning; estimated to contain eight hundred thousand acres of land; but it is expressly understood, that if any of the lands assigned the Quapaws shall fall within the aforesaid bounds, the same shall be reserved and excepted out of the lands above granted, and a pro rata reduction shall be made in the price to be allowed to the United States for the same by the Cherokees.

PROMISE OF PATENT.

TREATY OF 1835.

ART. 3. The United States also agree, that the lands above ceded by the treaty of February 14, 1833, including the outlet, and those ceded by this treaty, shall all be included in one patent, executed to the Cherokee Nation of Indians by the President of the United States, according to the provisions of the act of May 28, 1830. It is, however, agreed, that the military reservation at Fort Gibson shall be held by the United

States. But should the United States abandon said post and have no further use for the same, it shall revert to the Cherokee Nation. The United States shall always have the right to make and establish such post and military roads and forts in any parts of the Cherokee country, as they may deem proper for the interest and protection of the same, and the use of as much land, timber, fuel and materials of all kinds, for the construction and support of the same, as may be necessary; provided, that if the private rights of individuals are interfered with, a just compensation therefor shall be made.

TREATY OF 1835.

ART. 5. The United States hereby covenant and agree that the lands ceded to the Cherokee Nation in the foregoing article, shall, in no future time, without their consent, be concluded within the territorial limits or jurisdiction of any State or Territory. But they shall secure to the Cherokee Nation the right by their national councils, to make and carry into effect all such laws as they may deem necessary for the government and protection of the persons and property within their own country belonging to their people, or such persons as have connected themselves with them: Provided, always, that they shall not be inconsistent with the constitution of the United States, and such acts of Congress as have been or may be passed, regulating trade and intercourse with the Indians; and also, that

they shall not be considered as extending to such citizens and army of the United States as may travel or reside in the Indian country by permission, according to the laws and regulations established by the government of the same.

TREATY OF 1846.

ART. 1. That the lands now occupied by the Cherokee Nation shall be secured to the whole Cherokee people for their common use and benefit; and a patent shall be issued for the same, including the eight hundred thousand acres purchased, together with the outlet west promised by the United States, in conformity with the provisions relating thereto, contained in the third article of the treaty of 1835, and in the third section of the act of Congress, approved May 28th, 1830, which authorizes the President of the United States, in making exchanges of lands with the Indian tribes, "to assure the tribe or nation with which the exchange is made, that the United States will forever secure and guarantee to them, and their heirs or successors, the country so exchanged with them; and if they prefer it that the United States will cause a patent or grant to be made and executed to them for the same: PROVIDED ALWAYS, That such lands shall revert to the United States, if the Indians become extinct, or abandon the same."

PATENT.

THE UNITED STATES OF AMERICA

TO ALL TO WHOM THESE PRESENTS SHALL
COME, GREETING:

WHEREAS, by certain treaties made by the United States of America with the Cherokee Nation of Indians of the sixth of May one thousand eight hundred and twenty eight, the fourteenth of February, one thousand eight hundred and thirty three, and the twenty ninth of December, one thousand eight hundred and thirty five, it was stipulated and agreed on the part of the United States, that in consideration of the promises mentioned in the said treaties, respectively, the United States should guaranty, secure and convey by patent to the said Cherokee Nation certain tracts of land; the description of which tracts, and the terms and conditions on which they were to be conveyed, are set forth in the second and third articles of the treaty of the twenty ninth of December, one thousand eight hundred and thirty five in the words following, that is to say:—

“Article 2d, Whereas by the treaty of May sixth one thousand eight hundred and twenty eight, and the supplementary treaty thereto of February fourteenth, one thousand eight hundred and thirty three, with the Cherokees west of the Mississippi, the United States guarantied and secured, to be conveyed by patent to the

Cherokee Nation of Indians the following tract of country: Beginning at a point on the old western territorial line of Arkansas territory, being twenty five miles north from the point where the territorial line crosses Arkansas river, thence running from said north point south on the said territorial line, where the said territorial line crosses Virdigris river; thence down said Virdigris river to the Arkansas river; thence down said Arkansas to a point where a stone is placed opposite the east or lower bank of Grand river, at its junction with the Arkansas; thence running south forty four degrees west one mile; thence, in a straight line, to a point four miles northerly from the mouth of the northfork of the Canadian; thence along the said four mile line to the Canadian; thence, down the Canadian to the Arkansas; thence, down the Arkansas to that point on the Arkansas where the eastern Choctaw boundary strikes said river, and running thence with the western line of Arkansas territory, as now defined, to the south west corner of Missouri; thence along the western Missouri line to the land assigned the Senecas; thence, on the south line of the Senecas to Grand river; thence, up said Grand river, as far as the south line of the Osages extended, if necessary; thence, up and between said south Osage line, extended west if necessary, and a line drawn due west from the point of beginning to a certain distance west, at which a line running north and south from said Osage line to said due west line, will make *seven millions of acres* within the whole described boundaries. In addition to the seven millions of acres of

land thus provided for and bounded, the United States further guaranty to the Cherokee Nation *a perpetual outlet west* and a free and unmolested use of all the country west of the western boundary of said seven millions of acres, as far west as the sovereignty of the United States and their right of soil extend. *provided, however,* that if the Saline or Salt Plain on the western prairie shall fall within said limits prescribed for said outlet, the right is reserved to the United States to permit other tribes of red men to get salt on said plain, in common with the Cherokees, and *letters patent* shall be issued by the United States as soon as practicable for the land hereby guarantied. *And whereas,* it is apprehended by the Cherokees that in the above cession there is not contained a sufficient quantity of land for the accommodation of the whole Nation, on their removal west of the Mississippi, the United States, in consideration of the sum of *five hundred thousand dollars* therefore hereby covenant and agree to convey to the said Indians and their descendants, by patent, in fee simple, the following *additional tract of land*, situated between the west line of the state of Missouri and the Osage reservation, beginning at the south east corner of the same, and runs north along the east line of the Osage lands fifty miles, to the north east corner thereof; and thence east to the west line of the State of Missouri; thence with said line south, fifty miles; thence, west to the place of beginning; estimated to contain *eight hundred thousand acres of land*; but it is expressly understood, that if any of the lands assigned the *Quapaws*

shall fall within the aforesaid bounds, the same shall be reserved and excepted out of the lands above granted, and a pro-rata reduction shall be made in the price to be allowed to the United States for the same by the Cherokees.

ART. 3d. The United States also agree that the lands above ceded by the treaty of February fourteenth, one thousand eight hundred and thirty three, including the outlet, and those ceded by this treaty, shall all be included in one patent, executed to the Cherokee Nation of Indians by the President of the United States, according to the provisions of the act of May twenty eighth, one thousand eight hundred and thirty. It is however agreed that the military reservation at Fort Gibson shall be held by the United States. But should the United States abandon said post, and have no further use for the same, it shall revert to the Cherokee Nation. The United States shall always have the right to make and establish such *post* and *military roads* and *forts*, in any part of the Cherokee country, as they may deem proper for the interest and protection of the same, and the free use of as much land, timber, fuel and materials of all kinds, for the construction and support of the same, as may be necessary. *Provided*, that if the private rights of individuals are interfered with, a just compensation therefor shall be made." *And whereas*, the United States have caused the said tract of seven millions of acres, together with the said perpetual outlet, to be surveyed in one tract, the boundaries whereof are as follows: Beginning at a mound of rocks

four feet square at base, and four and a half feet high, from which another mound of rocks bears south one chain, and another mound of rocks bears west one chain, on what has been denominated the old western territorial line of Arkansas territory twenty five miles north of Arkansas river; thence south twenty one miles and twenty eight chains to a post on the north east bank of the Virdigris river, from which a hackberry, fifteen inches diameter, bears south sixty one degrees thirty one minutes east, forty three links, marked C. another rock bears north eighteen degrees eighteen minutes east fifty links, and another rock bears south fifty links, thence south four miles to a post on the lower bank of the north fork of Canadian river, at its junction with Canadian river, from which a cotton-wood, twenty-four inches diameter, bears north eighteen degrees east, forty links, and a cotton-wood, fifteen inches diameter, bears south nine degrees east fourteen links; thence down the Canadian river on its north bank to its junction with Arkansas river; thence down the main channel of Arkansas river to the western boundary of the state of Arkansas, at the northern extremity of the eastern boundary of the lands of the Choctaws, on the south bank of Arkansas river, four chains and fifty four links, east of Fort Smith; thence north seven degrees, twenty five minutes west, with the western boundary of the State of Arkansas, seventy six miles, sixty four chains and fifty links, to the south west corner of the State of Missouri; thence north on the eastern boundary of the state of Missouri, eight miles, forty nine chains and fifty links, to the north bank of Cowskin, or Seneca river, at a mound six feet square at base, and five feet high, in which is a post marked on the south side Cor. n. Ch. Ld; thence west on the southern boundary of the lands of the Senecas, eleven miles and forty eight chains, to a post on the east bank of Neosho river, from which a maple, eighteen inches diameter, bears south thirty-one degrees east, seventy-two links; thence up Neosho river, with its meanders, on the east bank, to the southern boundary of Osage

And whereas, the United States have also caused the said tract of eight hundred thousand acres to be surveyed, and have ascertained the boundaries thereof to be as follows:—*

Beginning at southeast corner of Osage lands, described by a rock, from which a red oak twenty inches diameter bears south twenty seven degrees east, seventy six links, and a burr oak, thirty inches diameter, bears south fifty nine degrees west one chain; and another
